Dear Sirs

I refer to my past correspondence in relation to Jefferson House, 11 Basil Street, London SW31AX, block of flats.

I should point out that, although some of that correspondence may have been on KPMG headed notepaper, it was sent purely in my personal capacity as a tenant of 3 Jefferson House, 11 Basil Street, London SW3 1AX, and not in my capacity as an employee of KPMG.

Please address any future correspondence to my home address.

Yours sincerely

**EVENTS:**

I sent this **24.10.02** fax to Kensington & Chelsea housing, and this **24.10.02** fax to the then London LVT, **using my then employer, KPMG's fax machine** - without thinking about the fact that the automatically-fed paper had the KPMG name.

Even though he did not have a leg to stand on, it was the **cue for MULTI-CRIMINAL (EXTORTION) Rachman vermin Andrew David Ladsky** to get his **equally multi-criminal solicitor, Lanny Silverstone, CKFT**, to send these threatening letters: **28.11.02** to me; **28.11.02** to KPMG

Which that evil vermin knew perfectly well.

I said to KPMG that I had immediately sent this letter. Needless to say that I did not comply with **any** of the diktats in the **28.11.02** letter.

The 28 Nov 02 letters were **preceded by Ladsky coming to KPMG to complain about the faxes I had sent:**  
-- **04.11.02** KPMG notes of its meeting with Ladsky;  
-- **06.11.02** notes of the meeting I had with a partner.  
**Andrew David Ladsky and his other equally corrupt, multi-criminal solicitor, Jeremy Hershkorn, Portner and Jaskel** had, 1 month previously succeeded in getting the closure of my newly-launched website (**Overview # 9**).  
Hence, the Nov 02 events were part of the revenge, and intended to crush me for 'daring' to stand-up to that vermin gang of racketeers.
