The Law Society

Law Society = fertiliser for malpractice

17 March 2005

This 2nd 'Get lost!' was followed
by a predictable **11.07.05** 'Get
lost!' from the LSO following my
20.02.05 complaint

...and it continued in relation to **Portner and Jaskel: # 4**

Dear Ms Klosterkötter-Dit-Rawé

Complaint against CKFT Solicitors

Thank you for your letter of 19 February 2005 which is in response to my letter of 8 February 2005.

I have had an opportunity to read through your letter and do not believe that I can add anything further over and above what is cited in my letter of 8 February 2005 which refers to my reasoning as to why this office cannot take any of your concerns any further.

I note that you have made a request to refer this office's file to the Legal Services Ombudsman. In that respect I can advise you that this office's file will be forwarded to the Ombudsman shortly.

Yours sincerely

Unlike with my 1st complaint to the Law Society - which was against 'my' solicitors Piper Smith Basham/Watton: **Doc library # 2.2...** ...this time the Law Society did not try to keep me running like a hamster on a wheel - because it could not challenge my reply.
