Dear Ms Klosterkotter-Dit-Rawé

**Re: Complaint by you against Mr Stanley Gallagher**

I refer to the above matter and in particular to Karin Seidenstein's letter to you dated 2 September 2004.

On 16 September, in Ms Seidenstein's absence I received a telephone call from Mr Gallagher. He had only recently returned from leave and was heavily engaged in other work and for a period of time later this month he would be out of the country. Bearing in mind that **your further submissions are considerable** and it would be **necessary for Mr Gallagher to spend some time in responding** to the further points that you have made, I have agreed with him that his response should be received by us by **no later than Monday 11 October 2004.**

My **29.08.04** reply to his **09.06.04** response

We will be in contact with you again on this matter as soon as we have heard further from Mr Gallagher.

Yours sincerely

**He should not have continued to justify his appalling conduct - that caused ME not just A LOT of "time", ...**  
**...but also an unbelievable amount of distress, anguish and trauma - that then continued for many months afterwards**  
**(West London County Court # 13) until the 01.07.04 court-endorsed Consent Order.**  
**And the reprisals for 'my daring' to stand-up against organized crime have continued ever since: Persecution**
