I first launched my site on 19 Sep 2006

Supplied to me by the police on 22.07.11 in the context of the 29.07.11 'hearing' of its 30.06.11 Application to have my 19.07.11 Queen's Bench Claim struck out. Hence, AFTER I had filed and served my 19.07.11 Witness Statement - based on the July 2009 version. It placed me on an 'unequal footing' (CPR Overriding Objective) as this version contains material data that strongly supports my position...

BS

... as explained in my 29.08.11 Suppl. Witness Statement in support of my 30.08.11 Appeal...
... against 'Master Eyre's FULL OF LIES 09.08.11 MPS Order which, among other, FULLY ENDORSES THE PACK OF LIES CONTAINED IN THIS REPORT (see my attached comments). The text that was redacted is highlighted in yellow.
Relative to its 2009 version, the MPS also omitted to supply some pages; they are indicated.

PC 223941 474BS K O'BRIEN

PRIMARY INVESTIGATION DETAILS : 1 Immediate action
PC O'BRIEN 474BS reporting this allegation.

A web site, www.leasehold-outrage.com was created in July 2002 in response to a large service charge, which she regarded as excessive and unfair. This charge was challenged at the leasehold valuation tribunal who reduced this amount quite significantly. In order to challenge this charge it actually cost a considerably larger sum of money than she saved. Since this she has been extremely upset and is seeking compensation and retribution for her time, money and effort.

It is only recently that the VIW has spent time examining the web site that the suspect has created in order to "tell her story." Although the web site is extremely large (probably into the thousands of pages) there are parts of the site which are alleged to be extremely upsetting and insulting. There are a number of sections which are alleged to be of a racial nature and numerous references by name to the victim.

The reason why the victim believes he has become a target for abuse on the web site is that the victim was involved with the business who was carrying out the repairs and improvements that were paid for with the service charge.

The sections of the web site that the complaint relates to is headed "My Diary" 2002-2007. The specific racist remarks and pictures that are being complained about are contained throughout although it appears to be becoming quite paranoid. She thinks the police may be following her as well as numerous people employed by her enemies.

The victim is keen that police speak to him so that he can go into more detail about the website as it is very large with numerous

A correction to the initial sentence is that the website was set up in 2006 but the history of the events span from 2002.

15/03/2007 16:30

① How can ^{see} why that was blocked.
"Intimidated" is hilarious considering what that Vermin LADSKY has done and instigated. Against me (and fellow leaseholders) since 2002.
= further proof of police corruption
See my WS of 29 Aug 11, para 21

② Why was that blocked?
SCARED I would write in my WS why I was doing it?
Well, trick failed as I wrote it in my 19 July 11 to the Home Office, para. 61.
- I have also commented on it in my 29 Aug 11 WS, para. 22

③ That says it all, doesn't it?
You can see why it was blocked.
The police is VERY SERIOUSLY SICK CORRUPT.

- ① I have spoken to Mr Lasky and he has informed me that the mention of Pigs and Monkeys relates to the words the Nazi's used referring to Jewish people during the holocaust. This is obviously very offensive, Mr Lasky is Jewish and believes this is what the suspect is referring to.
- ② About four years ago Mr Lasky organised for refurbishments on the flats. Each household was to pay a certain amount of the costs through their service charge. The suspect took exception to this and went to a tribunal to get this charge reduced. Despite the values of the flats going up a considerable amount the suspects is still obviously not happy with what Mr Lasky initiated.
- ③ Looking at the website it seems the suspect thinks she is being followed by either the police or Mr Lasky. This is not the case and she is obviously extremely paranoid there is alot of slanderous
- ④ comments on the site mainly directed at Mr Lasky but also at K&C Police and even MP's, the

- ① I have contacted the host Hostdime to have the site shut down and await a response. The site is based in the US therefore I may well have to go through SOCA to do this after having consulted with them.
- ② Mr Lasky just wants her to stop and take the site down. I believe she may have some mental issues so will be speaking to social services to see if they are aware of her.

My Diary 2009-Intro-visual: Layers of protection

② The existence of the site is of his doing see eg. Intro to site. Instead of resolving the situation ALL that he and supporters have
