I SUBMIT that looking: (1) at the evidence I supplied in support of my case (incl. the [Chronology of Events](#)); (2) the outcome: [Master Eyre's FULL OF LIES MPS Order of 09.08.11](#), and the [2 Queen's Bench judges, Lang and Mackay](#), twice refusing my [29/30.08.11 Appeal Application](#) against the Order ([06.10.11](#) and [24.10.11](#) Orders) – **any fair minded, reasonable, honest person** would support my conclusions that my [19.04.11 Claim](#) was dealt with by a kangaroo court* **absolutely intent on protecting [Andrew David Ladsky](#) from the legal consequences of his [criminal activities](#) – by means of collusion* and conniving* with [the MPS](#) - that has been doing the same thing since 2002.**

(= Like the judiciary in: (i) West London County Court in [2002-04](#) and [2007-08](#); (ii) [Wandsworth County Court in 2004](#); (iii) [Supreme Court Costs Office on 30.01.09](#); the [London Leasehold Valuation Tribunal in 2002-03](#))

* (Chambers dictionary definition of **Kangaroo court**: "A court operated by a mob, by prisoners in jail, or by any improperly constituted body; a tribunal before which a fair trial is impossible; a comic burlesque court"

* (Dictionary definition of (i) **Collusion**: "To come to a secret agreement in order to deceive others; conspire"; (ii) **Connive**: "secretly allow (a wrongdoing); often as adjective, **conniving**, "conspire to do something unlawful or harmful";
