See my 28 Nov 11  
complaint to the office  
for Judicial Complaints  
Having misrepresented  
my complaints, in  
its 5 Dec 11 reply  
it claimed to not  
deal with this  
type of complaint.  
Discrimination is  
evidently not something  
it deals with

Dear Ms Klosterkotter-Dit-Rawe

**Re-Issue of Order dated 25 October 2011**

Thank you for your letter dated 14 November 2011. **Preceded by my 31.10.11 letter**

His lordship has asked me to reply on his behalf.

The transcript of reasons given at the hearing on 25 of October can be obtained from the Courts Recording and Transcription Unit at the Royal courts of Justice on payment of the appropriate fee.

Yours sincerely

Mr Paul Westlake

**Translation: 'GET LOST!'**

Add to your distress of having your legitimate 17.10.11 Appeal Request dismissed at the 24 Oct 11 'hearing' (QB # 4.7)...  
...by spending even more money - on top of the £235 you paid for the Application (which definitely did not state that you had to pay extra for the Order)..  
...and getting more hassle.

**Yep! Her Majesty's corrupt judiciaries in the kangaroo court were hell-bent on piling it on until the very end!**
