2 Claim: [RCJ's Queen's Bench Division – HQ11X01471](#)

3 22nd August 2011

4 Dear Madam,

5 Further to the [9th August 2011 Order](#) from [Master Eyre](#) dismissing all of [my claim](#) against the
6 [Commissioner of Police of the Metropolis – with costs](#) - please find herewith enclosed NatWest cheque #
7 1514 for £8,478.03.

8 I do maintain that this Order is wrong and unjust as material evidence I supplied in support of my claim of
9 breaches of my statutory rights have been overlooked.

10 The implication of the Order is that the MPS is free to act above the law for the sake of protecting and
11 assisting [Andrew David Ladsky \(ADL\) in his fraudulent activities](#), as well as [joining forces with him](#) in
12 taking retaliatory action against me – his victim – for 'daring' to stand-up to him and his supporters for my
13 rights.

14 In the remainder of this letter, I refer to: (i) my [19th July 2011](#) Witness Statement in response to the MPS'
15 [30th June 2011](#) Application to strike out my [19th April 2011](#) claim – as WS1; (ii) my [19th July 2011](#) Witness
16 Statement in response to the Home Office's [7th July 2011](#) Application to strike out my claim – as WS2,
17 followed by the paragraph/s number.

18 In my [2nd June 2010](#) Section 10 Notice which, like all my other requests, was ignored by the MPS, in
19 breach of the [Data Protection Act 1998 \(DPA\)](#) and of my rights under [Article 8](#) of the European
20 Convention for the Protection of Human Rights, Kensington, [Chelsea and Notting Hill police](#) have, and
21 continue to aid and abet the processing on the police system of 2 "crime reports" against me ([2003](#) and
22 [2007](#)) that are a web of false, unlawful, unfair, highly malicious and vicious accusations against me and
23 opinions of me – in connivance with ADL.

24 In relation to conniving, I refer to, among others, the trickery in describing ADL as my "neighbour" – in the
25 [2002](#) report in spite of my identifying him as [the landlord](#), and in the context of his [2003](#) and [2007](#) so-
26 called 'complaints' against me, in relation to the answer to the question: 'How is the suspect known to the
27 victim?'. As the MPS is well aware, ADL "knows" me because [he is the landlord](#) – as I explained in [WS1-](#)
28 [18-20](#). (He took over the headlease in 1996¹. The freehold was taken over in 1997²).

29 The benefit of this trickery? Obvious: to anybody not familiar with, among others, the 4th Principle of the
30 DPA: "(a) *having regard to the purpose or purposes for which the data were obtained and further*
31 *processed, the data controller must take reasonable steps to ensure the accuracy of the data*" (not to
32 mention the Code of Conduct comprised under the [Police \(Conduct\) Regulations](#)) – the MPS can use the

¹ [21st November 1996](#) letter from [Laytons solicitors](#) that the [headlease](#) interest had been transferred from Acrepost Ltd to [Steel Services Ltd](#) – an "associated company of Acrepost Ltd"

² [27th March 1997](#) letter from [Martin Russell Jones](#)

1 “neighbour” description as the excuse for not challenging ADL on any of his false, malicious, vicious
2 accusations against me and opinions of me.

3 Of great importance: in addition to the police, these “crime reports” are accessible by a host of parties
4 e.g. law enforcement agencies, courts, central and local government, etc.

5 Based on what [the MPS](#) has ‘deemed me to be allowed’ to see so far, using some of the entries in the
6 “crime reports”, I imagine the MPS’ script to internal and external parties with access to the reports - who
7 are unaware of the truth - to go along the following lines – which I contrast with the facts, and in the
8 context of which I refer to [WS1](#) and [WS2](#):

9 “She an anti-Semite, hell bent on a vendetta against a poor, innocent man, Mr Ladsky, who is
10 Jewish, and is her neighbour. Look at the evidence here in the [2003](#) and [2007](#) reports, the
11 answer to the question: ‘How is suspect known to victim?’: “Neighbour”. And look here in the
12 2007 report: “Victim considers himself intimidated”

[§21 of my 20.08.11 Suppl. Wit. Statement](#) →Fact: re. “neighbour”: as detailed above; re “intimated”: this is hilarious considering what ADL has done, as well as [instigated](#) against me (and fellow leaseholders) through his stable of aides [since 2002](#).

16 “You can see in the [2007](#) report, it’s written: “he stated that Ms Rawé is Franco-German and is well aware that he is Jewish”

17 →Fact: I did not know he said to be Jewish until the MPS sent its unlawful, racist, xenophobic e-mails of
18 [16th March](#) and [20th March 2007](#) to my website Host: [WS1 - 49 and 58](#). By contrast, ADL knew my origin:
19 the [2003](#) report describes my nationality as “German or French”.

- [Elderly Resident](#)
- [Resident Assoc.](#)
- [Other Residents](#)
- [Resident K](#)

(Assuming that the [2002](#) report is shown - given that it contains ‘inconvenient’ evidence of my and [other residents](#) reporting suffering harassment from ADL): “Look here how she refused to accept that the anonymous phone calls were made by somebody else”

23 →Fact: I maintain my position that [the MPS](#)’ assertion that the resident was responsible for the
24 anonymous phone calls does not stack up: [WS1 - 24\(2\)\(3\)\(4\)](#). And the entries under [26/03/2002-13h23](#)
25 [and 08/04/02-14h32](#) that were blocked in the [July 2009](#) version I had at the time of writing my Witness
26 Statement (the MPS supplied me with the latest version [on 22nd July 2011](#)), provide further support to my
27 position.

Section 9 of my [30.08.11](#) Appeal Application; para.10 of my [17.10.11](#) Request; my [29.08.11](#) Suppl. Witness Stat

28 “Look at the [2003](#) report, how, totally unprovoked she swore at poor Mr Ladsky”. (Quoting from
29 Master’s Eyre’s [9th August 2009 Order](#)): “Look at “the most disgusting and undignified language
30 she used towards him and she said it without the least sign of shame”

31 →Fact: On coming out of the Jefferson House ‘concentration camp’, I saw ADL standing by the lift, but
32 pretended to not see him. ADL told me: “[Better luck next time](#)” followed by a sarcastic laugh. I assumed
33 he was referring to the impending [Tribunal](#) hearing and that he had it ‘sewn-up’: [WS1 - 34](#). (My
34 assessment [proved to be correct](#): [WS1 – 42 and 64](#)).

35 Feeling very angry by what I had been subjected to [over the previous 12 months](#) (e.g. ongoing
36 harassment; threat of forfeiture in [October 2002](#); [fraudulent claim filed against me \(and fellow](#)
37 [leaseholders\)](#) in November 2002, and in total disregard of the [Tribunal](#)’s directions³) - and knowing that
38 [ADL was behind all of this](#), I did reply as stated in the report. To this I add the fact that, 3 weeks
39 previously, as I was coming out of my flat, ADL was standing by the door. He told me, with a lot of venom
40 in his voice: “[I am going to get you this year!](#)”: [WS1 - 34](#)

³ [Court of Appeal case: Daejan Properties v London Leasehold Valuation Tribunal](#): LVTs only had jurisdiction to determine service charges that were still unpaid. ADL claimed during the [29th October 2002](#) pre-trial hearing that he was “just a tenant”

1 As to [Master Eyre's](#) comment: *"without the least sign of shame"*, I responded to this ([7th August 2011](#))
2 that, while I did not recall being asked at the [29th July 2011](#) hearing whether I felt *"ashamed"*, had I been
3 asked, I would have replied: "As ashamed as ADL who held Her Majesty's [Tribunal](#) and [courts](#) in utter
contempt by lying and getting [his aides](#) to also lie to them repeatedly, making false accusations against
me to the police, threatening me with [forfeiture](#) if I did not pay a [fraudulent demand](#)" – to which I now
add: "and as *"ashamed"* **as those who have – and continue to help him do this**".

Summary
outcome my
complaints:
[My Diary 6
May 2008](#)

8 "And it was not the first time she was doing this. Oh no! Poor Man, what he was enduring in
9 silence! Look here in the [2003](#) report, he said she had done that before: *"at least 3-4 times since
10 November 2002"*. And look here, it's true: we recorded it as a *"Substantiated Offence of
11 Harassment"* – and – we confirmed it in the [2007](#) report by stating: *"it shows Ms Rawé used to
swear at Mr Ladsky when seeing him in the communal area"*

12 →Fact: Not true. The objective of this false claim was to make a *"Substantiated Offence of Harassment"*
13 stick against me: [WS1 - 35](#). (Under the [Protection from Harassment Act 1997](#) the same offence must
14 take place on at least 2 occasions). This *"Substantiated Offence"* was recorded on [25th January 2003](#).
15 Hence, *before* contacting me, as the first I heard of the 'complaint' was in a threatening, intimidatory,
16 bullying letter from [the MPS](#) dated [27th January 2003](#) – signed *"Crime Investigator"*: [WS1 - 7, 30 and 33](#).
17 As to the 'recycling' of the false accusation from the 2003 report into the 2007 report – in spite of my
18 being *"Eliminated"* - it is discussed in [WS1 - 80 and 82](#).

19 "Look here in the [2003](#) report, the poor man said: *"the reasons she behaved like that towards
him was because she believed him to be behind the company that sent the bill for the
refurbishment of the block and she did not want to pay her share of it"*. It proves that this awful,
racist woman also defaults on her contractual obligations. And look here what he said in the
[2007](#) report: *"The reason why the victim believes he has become a target for abuse on the web
site is that **the victim was involved with the business** who was carrying out the repairs and
improvements that were paid for with the service charge"*

20 →Fact: as detailed above, re. [ADL being the landlord and key driver of all the activities in relation to
Jefferson House](#). As with all the other false, malicious accusations, the MPS failed to challenge ADL,
including failing to ask him for documentary evidence in support of his vicious claim.

[§20 of my
29.08.11
Supp.
Witness
Statement](#)

29 "Look here at the faxes *"she sent to the local housing department and the leasehold valuation
30 tribunal"* accusing the poor man of *"theft and fraud"*

31 →Fact: This is not true – and can be seen from the faxes in question: [24th October 2002](#) fax to
[Kensington & Chelsea housing](#); [24th October 2002](#) fax to the [Tribunal](#): [WS1 - 39](#). 'Interestingly', the MPS
had blocked out **"fraud"** from the report it sent me in [July 2009](#).

See: [Fraud
Act 2006;
Theft Act
1968](#)

34 "As you can see here, we wrote her a letter to *"warn her about her behaviour"*. She did not
35 respond. And we certainly tried very hard to contact her. See here in the report, we even *"went to
36 her home to leave her a note"*. We still did not get a response from her. You see, that's how she
37 treats us, the police"

38 →Fact: It is not true that I did not respond. While I viewed the [27th January 2003](#) letter as an attempt to
39 intimidate me, at the same time I laughed at [the MPS](#) for having no sense of the ridicule: [WS1 - 31](#), and
40 opted to ignore the letter. However, following the MPS' [6th February 2003](#) chaser letter, I sent an [11th
41 February 2003](#) letter asking for *"precise detail – in writing – of the accusation against me"*. Not only did I
42 not receive a reply, on the day it received my letter, the MPS closed down the report: [WS1 - 32](#). As to
43 *"leaving a note"*: this is equally not true: [WS1 - 43](#).

44 "As you can see in the [2007](#) report, because *"she did not want pay the service charge"*, and *"to
45 seek compensation and retribution"*, she launched [a website](#)".

1 →Fact: Not true. The reality is that ADL did not expect me to challenge his [fraudulent demand](#) and [action](#)
2 in the [Tribunal: WS1 - 70](#). As crystal clear on [my website](#), I launched it because:

3 (i) in spite of my accepting ("[for the sake of bringing this dispute to an end](#)") ADL's [21st October 2003](#)
4 offer for £6,350: [WS1 - 63](#) (v the £14,400 demanded in [July 2002](#) and in the [29th November 2002 claim](#):
5 [WS1 - 42\(1\)](#)) - even though I did not legally owe this amount either: [WS1 - 63](#) - 3 months after the
6 Consent Order was endorsed by the court on [1st July 2004](#), ADL had the [managing agents](#) send me
7 another invoice for £14,400 in [October 2004](#). This was followed by [another one](#) 3 weeks later, repeating
8 the demand. Hence: as though no offer had been made, accepted, paid and endorsed by [the Court: WS1](#)
9 [- 63](#)

My Diary 6
May 08

(ii) all of my subsequent [complaints against his aides](#) were dismissed by their 'professional' body.

11 Outcome: I battled [for 5 years before launching my website](#) - as a cry for help, out of utter despair.

12 (Quoting from [Master Eyre's Order](#)): "*That website is no more than a sustained tirade against Mr.*
13 *Ladsky and his supposed allies*"

14 →Fact: In my [7th August 2011](#) reply to the [Draft Order](#), I asked: "*Does "a tirade" mean relating events –*
15 *with 'black on white' evidence in support?*"

16 "What did she do? (Quoting from [Master Eyre's Order](#)): "*She at first referred to Mr. Ladsky and*
17 *his allies as "pigs and monkeys."* Can you believe that? As you can see in the [2007](#) report, poor
18 Mr Ladsky said that "*the words relate to terms used by the Nazis to refer to Jewish people during*
19 *the holocaust*". She is of Franco-German origin. Look here in the report, it says: "*There are a*
20 *number of sections which are alleged to be of a racial nature and numerous references by name*
21 *to the victim...*". (Quoting from Master Eyre's Order): "*Mr. Ladsky, not very surprisingly in view of*
22 *what he says is his racial background took offence, and complained*"

23 →Fact: Not true. The context in which I used these terms is very clear from my website: to refer to the
24 individuals who were – unlawfully - hounding me, tracking me, monitoring me: [WS1 - 70 and 77](#).

25 "She is not just an anti-Semite, but a typical Nazi who also hates anybody not white. See the
26 evidence here on the [Classification page](#): "*A web page has been created which is alleged to*
27 *contain anti-Semitic, anti-black, anti-Asian pictures and text*", and here: "*The specific remarks*
28 *and pictures complained about are contained throughout*" Look, it's true, we classified the report
29 as a "[Substantiated Racial Incident](#)"

30 →Fact: Not true. To this day, [the MPS](#) has not provided any evidence in support of its accusations: [WS1](#)
31 [- 68 and 71](#).

32 "Look here what the [2007](#) report states: "*there is a lot of slanderous comments on the site mainly*
33 *directed at Mr Ladsky but also at Kensington & Chelsea police and even [MPs](#), the [Prime Minister](#)*
34 *and [Deputy Prime Minister](#). Also against [solicitors](#) and many others*"

35 →Fact: Not true. To this day, the MPS has not provided any evidence in support of these accusations:
36 [WS1 - 78](#)

37 I would like to know: what is 'the story' if e.g. the Surveillance Commissioner asks to have a look at my
38 website? How will he be stopped from seeing all the black-on-white evidence the police has turned a
39 blind eye to: [false accounting; fraud; harassment; etc.](#)?

40 "We contacted the website host but, as you can see in the report, we did not get a response. (Or,
41 as [Master Eyre wrote in the Order](#)): "[Made] *unsuccessful attempts to get the web-host's co-*
42 *operation...*"

1 →Fact: Not true. In the report, (in addition to not capturing the content of its initial e-mail of [16th March](#)
2 [2007](#) in which it wrote: *"I am the police officer dealing with this crime"*) the MPS did not capture my
3 website Host's replies, and nor did it capture the fact that it responded - because these e-mails are
4 'inconvenient' for the MPS' purposes: [WS1 - 51 and 52](#). As my website Host asked – in vain - for
5 evidence in support of the accusations, it cannot be stated that it *"failed to cooperate"*: [WS1- 51, 54, 56](#).

6 Given that – contrary to [Master Eyre's assertion in his Order](#) that "[the MPS] *took up the matter with [me]*"
7 - the MPS never contacted me at any point in time: [WS1 - 49 and 58](#), I would like to know what is 'the
8 story' if e.g. the Surveillance Commissioner asks: What did she say when you contacted her?

9 "Look here: it says *"she sleeps with a knife near her bed"*

10 →Fact: 'Interestingly' this was blocked from the [July 2009](#) version I had at the time of writing my Witness
11 Statement. I wonder why. Was it because the MPS did not like the reason I gave on my website for doing
12 this – which undermines its objective in capturing this? The reason for my doing this: at [WS2 - 61](#).

13 "ALL that is contained in the [2007](#) report is true. See here, the report states: *"No suspicion of*
14 *false reporting"*

§23 of my
29.08.11
Wit. Stat.
19 →Fact: Also 'interestingly' **this categorical statement was likewise blocked** in the [July 2009](#) version of the
20 report. The objective in doing this is obvious. This report is a web of false, unlawful, malicious and highly
21 vicious accusations against me with the aim of, among others, providing a rationale for capturing ADL's
and the MPS' outrageous, malicious, libellous opinions about my 'mental health or condition' - with the
objective of getting me 'out of action' - **by contacting social services**: [WS1 – 79](#). And these accusations
and opinions are just the ones that the MPS deemed I was 'entitled' to see, as parts of the reports
supplied to me on 22nd July 2011 are still blocked. [16/03/2007-18h56 entry](#)

22 I guess that in the [2007](#) report: *"She is paranoid"*, *"She thinks the police may be following her as well as*
23 *numerous people employed by her enemies"*: [WS1 - 72 and 73](#), will be highlighted to parties with access
24 to the MPS database that are unaware that I am under constant surveillance, I refer to [WS2](#) - as a
25 means of adding weight to its 'assessment' as to my 'mental condition'.

26 "This woman is a danger to society. That's we need to monitor her constantly, including in her
27 flat".

28 →Fact: I am an asset to society by standing-up to [a crook, his aides](#) and **their supporters**. Re. my flat
29 being bugged: [WS2 - 40-50](#) [Intro My Diary 2009](#) – visual headed 'Layers of protection for crooked landlords'

30 "That's why, as you can see in the [2007](#) report, we captured our belief that she *"may have some*
31 *mental issues"* and also wrote that we *"contacted social services to see if they are aware of her"*

32 →Fact: The individuals who wrote this, allowed it to be written, and are allowing it to be kept in the report
33 are the individuals with *"mental issues"*.

34 "And when she goes overseas, we also have to go and warn the authorities to make sure they
35 keep her under close watch"

36 →Fact: As per my above reply. Re. being monitored overseas: [WS2 - 115-118](#)

37 And that script is based only on evidence I have so far been 'permitted' to see. What other false, highly
38 damaging data is held against me? I refer to e.g. the reaction of the police officer during my visit to
39 [Kensington police](#) on [16th October 2010](#), when he called his colleague over to have a look at the
40 computer and said: *"Read that!"*: [WS1 - 135](#).

1 What has been communicated to e.g. social services, in relation to which, in breach of my rights under
2 the [DPA](#), the MPS has refused to provide me with the contact details?: [WS1 - 85 and 86](#). In light of what
3 I have 'been allowed' to see, I can only conclude that what has been kept from me is far more damaging.

4 The likelihood of the above script is also reinforced by:

- 5 ■ [Kensington & Chelsea police](#)'s refusal to investigate my legitimate and well documented complaints
6 of harassment in [October 2010](#): [WS1 - 118-143](#)

[Snapshot in My
Diary 23 May 10](#)

The implication that the State approves of [ADL also hounding me – working in tandem with State resources](#): [WS2 – 4](#)

- 9 ■ Not asking me about my [T-shirt](#) I wore over my coat, throughout my 7 visits to Kensington & Chelsea
10 police in [October 2010](#) – which states, in large lettering: “*Victim of Fraud and Corruption –*
11 [www.leasehold-outrage.com](#)”: [WS1 – 140](#)
- 12 ■ Failure to act on my reporting to the MET Commissioner the [15th June 2009](#) death threat (“*Enjoy your*
13 *life. You don't have long to live*”): [WS1 – 143](#)
- 14 ■ A police officer mocking me in the street (I was wearing my [T-shirt](#)): [WS2 – 108](#)
- 15 ■ Events since my Pre-action letter of [17th March 2011](#), including, showing the continuation of the
contempt by not sending me your 23rd May 2011 Defence – until I requested it by letter of [31st May](#)
[2011](#). (You posted it to me on [1st June](#))

Refers to
[Police
\(Complaints
and
Misconduct\)
Regulations
2004,
Reg.3\(1\) and
\(2\)\(a\) re.
dispensation](#)

And in [February-March](#) 2010, the '[Independent' Police Complaints Commission](#) opted to side with the
MPS by ignoring my rights under the [DPA](#) and by [using irrelevant subordinate legislation](#) as ground for
dismissing my complaint: [WS1 – 99-108](#).

It is blatantly obvious from the blind determination of the MPS and its supporters to retain these unlawful
“*crime reports*” as they are is to use them against me.

23 In [WS2](#), I report being hounded, tracked and monitored as though I were a terrorist:

[Intro to
My
Diary
2009](#)

- monitoring and interference with all my [means of communications](#): [8-39](#), including public telephones:
[30-33](#);
- [bugging my flat](#): [41-50](#), and [covert surveillance in the UK](#): [51-99](#) that has included [approaching](#)
[medical practitioners I saw](#): [62-64 and 136](#)
- [when I was working](#), as soon as I left the office: [100-105](#)
- surveillance [by local uniform officers](#): [106-108](#)
- being hounded and harassed [by police helicopters](#): [109-114](#)
- use of [covert surveillance overseas](#): [115-118](#)
- use of [covert human intelligence](#): [119-131](#)

[Snapshot
in My
Diary 23
May 10](#)

33 Under the [Regulation of Investigatory Powers Act 2000](#), the legally justifiable grounds - in relation to
34 which the surveillance must be assessed as “*necessary and proportionate*”, are: in the interest of
35 national security; prevention or detection of serious crime; safeguard of the economic well-being of the
36 country; public safety; to protect public health.

37 I know that I have *not*, and I am *not* engaged in any conduct that calls in any of these legal grounds: [19th](#)
38 [April 2011 Particulars of claim – 155 - 164](#). (The one who should be prosecuted is ADL for, among
39 others, engaging in unlawful conduct “*resulting in financial gain*” – as defined by [s.81\(3\) of the 2000 Act](#)).

40 Hence: what is used as 'justification' for 'the surveillance and interception'? Obvious: the false, unlawful,
41 malicious “*crime reports*” from which entries can be fitted under 1 or more of the above categories. And

1 of course, to these, must be added other false, seriously damaging data about me that I have not been
2 allowed to see.

3 It is clearly evident from what I report that, in addition to photographs and/or film footage of me, highly
4 damaging data about me is also being widely circulated in order to secure cooperation. Further, that a
5 large amount of resources are deployed doing this – and have been for several years.

6 'The surveillance' as it is abundantly clear from what I report that it is not surveillance in accordance with
7 the rule of law - but in actual fact: harassment and persecution intended to cause me an ongoing mix of
8 anxiety, distress, fear, inconvenience, blight my life by affecting all my daily activities, cut me off from my
9 contacts – added to the objective of getting me 'out of action' e.g. contacting social services: [WS1 – 79](#);
10 approaching my medical practitioners: [WS2 - 62-64 and 136](#); covert human intelligence: [WS2 – 119-131](#).

In summary: it is **retribution** – and this retribution started *before* I launched my website.

For what? [My 'daring' to stand-up to: \(i\) a crook who decided that I \(and fellow leaseholders\)](#) should pay
for the [construction](#) of a [penthouse flat](#) and addition of [3 other flats](#) so that he could make [a multi-million
£ jackpot](#); (ii) [State parties who decided to protect him and assist him](#), and for my 'daring' to stand-up to
them et.al. in the professions.

15
16 Conclusion: 'Dare' to stand-up to [a crook](#) we have decided to protect, and to us, and will persecute you
17 until we have destroyed you.

18 And there is no remedy available to stop this ongoing persecution. Indeed, assuming that authorisations
19 have been obtained, as well as repeatedly renewed, approaching the [Investigatory Powers Tribunal](#) will
20 not put an end to it as:

- 21 ■ It is not part of a [section 65](#) Tribunal's function to determine the admissibility of the evidence, nor that
22 of the Surveillance Commissioner. Hence: the crime reports - and other data I have not seen - will
23 not be challenged.
- 24 ■ On the usual ground of 'public interest immunity' I will not be shown the data on which the Tribunal
25 based its decision. Hence: I will not be able to challenge it.
- 26 ■ Outcome: based on the false data, the Tribunal will conclude that the interception and surveillance
27 are lawful, and the only thing I will get is a verdict of: *"No determination in my favour"*.

28 In other words: I have no protection whatsoever against the blatant abuse of power. And those with the
29 responsibility for ensuring that the rule of law is observed are endorsing the unlawful conduct.

30 In the words of the PM, David Cameron: if the rioters are *"sick, twisted, morally depraved individuals"* –
31 what does that make the individuals who take taxpayer money, agreeing to do a job in accordance with
32 the rule of law and, instead, do / endorse the above being done to me? In my book: way, way, past *"sick,
33 twisted and morally depraved"* – and worse than ADL because they have a duty to protect me and
34 defend me from his unlawful acts.

35 And, again in the words of David Cameron: if a judge is justified in imposing a 4-year prison sentence on
36 2 youngsters who unsuccessfully posted an online message inciting riot - what prison sentence should
37 be imposed on those who are doing the above?

38 At a recent police conference, one of the police' speakers asked the [Home Secretary](#): *"How do you sleep
39 at night?"* I ask the same question of [the MPS and IPCC](#) parties, the Home Secretary, and [Master Eyre](#).

40 Yours sincerely

41 N Klosterkotter-Dit-Rawé
