(By 'Recorded Delivery')

17th April 2011

Dear Sirs,

- In 'its' follow-on letter of [21.04.11](#) it claimed that it did *not* receive my [17.03.11](#) Pre-action pack. **IT HAD** – see proof of delivery attached at the back of the letter.
- As the so-called '[Independent](#)' [Police Complaints Commission](#) is in fact the **police's poodle (*)**, I concluded that it failed to respond on the order of its master that thought that it would be good fun to make me waste even more of my time and incur considerably more costs in supplying the IPCC with another pack, on [16.05.11](#).
- **Ignoring correspondence is one of the (many) morally depraved, gutter 'specialities' of the Metropolitan Police** e.g. paras 85-98 of my [19.07.11](#) Witness Statement to the MPS – **the IPCC is only too happy to join in** e.g. paras 97-108 (and 85-96) of my [19.07.11](#) Witness Statement to the IPCC.
(*) in addition to paras 97-108 of my [19.07.11](#) Wit. Stat, see my [13.09.11](#) letter to the IPCC to pay [£3,703](#) costs – following the [29.07.11](#) IPCC Order 'from' [Master Eyre](#) – and my attached Comments in which, among other, I highlight other grief

I wish to bring to your attention the fact that I have not received a reply from your Office to my [17th March 2011](#) 'Letter of Claim' addressed to your Chairman, Nick Harding. (NB: I should have described my letter as a 'letter before claim').

I take this opportunity to inform you that, relative to my intended deadline of 14th April, there will be a delay in my filing the claim.

Yours faithfully,

N Klosterkotter-Dit-Rawé
