Dear Sirs,

I acknowledge receipt of your letter dated 17th April. Please can you resend a copy of the letter sent to Nick Hardwick on 17th March to my fax on 0207 , if you would prefer. I will now be dealing with this matter so please address all future correspondence to me.

It DID receive my 'Special Delivery' 17.03.11 letter: proof at the back.
Conclusion: as the MPS' 'poodle' (*) it followed orders on 'having fun' by making me waste my time and incur more costs: my again supplying it on 16.05.11 with my Pre-action pack = continuation of its performance: 'its' 22.02.10 and 02.03.10 letters to me (*): (*) paras 97-108 of my 19.07.11 Witness Statement to the IPCC; my 13.09.11 letter to the IPCC; my Comments to the IPCC 29.07.11 Order 'from' Master Eyre

Yours sincerely,

PP.
