The reason the Ladsky mafia had not sent me the 'accounts' was because it had lied to the Jefferson House leaseholders in order to defraud them - and I knew this for a fact because I had challenged the demand in the tribunal: **Overview # 2 and # 3** ; more detail: **'Major works'** ; **Extortion...** so that Ladsky could make his multi-million £ jackpot - and the council and Local Government Ombudsman helped him

Dear Mr Hutchings

Getting the landlord, Steel Services and managing agents, Martin Russell Jones, to comply with my rights under Landlord & Tenant legislation to be provided with the year-end accounts for Jefferson House, as well as copy of the trustee accounts

Apologies. This is an 'after-thought' to my letter dated 2 July 2004.

In this letter, in relation to the **'trustee account'** and MRJ's reply to me dated 19 August 2003, I posed the question as to **who was receiving the Bradford & Bingley statements and**, hence who controlled the account?

It may indeed be the case that MRJ do not receive statements. **However, they could supply me with a photocopy of the pages of the passbook** - (which would be better for showing what has been paid into the account and when the payments were made. **I am particularly interested in the period from July 2002 when MRJ sent the demand for the major works)**

For my reasons: see my above comments

Thank you in anticipation of your assistance. .

Yours sincerely

Noëlle Rawé
