Dear Mr Hutchings

Jefferson House, 11 Basil Street, London SW3 1AX

With reference to my earlier letter today, I am pleased to inform you that the Accountants have now completed the Accounts for the year ended 31 December 2003 and have faxed us a copy.

We are therefore able in turn to fax you a copy which we do herewith.

Copies to all lessees will be sent out to them early next week.

Kind regards.

Yours sincerely

For and on behalf of
MARTIN RUSSELL JONES

The Andrew David Ladsky mafia had **not** sent me the 'accounts' because it had defrauded the Jefferson House leaseholders - and **I could prove it** as I had challenged the demand in the tribunal: Overview # 2 and # 3 ; 'Major works' ; Extortion. The council, followed by the Local Government Ombudsman, continued to be hell-bent on covering up the fraud. = help Andrew David Ladsky the 'sacrosanct' landlord (see e.g. CKFT-Intro for evidence) and 'brother' (Persecution # 6) realise his multi-million £ jackpot...

...+to protect the 'brothers' in West London County Court and Wandsworth County Court who were still helping 'the brother' Ladsky in ripping-off the leaseholders (Overview # 3 and # 5)...

...They + the head of the courts, Lord Falconer of Thoroton to whom I had sent, at the time, a 29.06.04 'cry for help, were, behind the scene, pulling the strings of their henchmen and henchwomen.

To punish me for 'daring' to challenge them, the mafia withheld the so-called accounts from me until the following year, in Feb 05: 26.01.05 and 09.02.05 emails from Patrick Moriarty, Investigator Local Government Ombudsman my 27.02.05 letter to him et.al.
