### ***Background and Events***

Please see attached my letter of 30 August 2004 to my Ward Councillor, Mrs Ritchie, which provides comprehensive details of events <sup>1</sup>

**K&C  
council # 3**

The key points and subsequent events are:

1. I am the lessee of flat 3 Jefferson House, 11 Basil St, London SW3 1AX
2. On 6 June 2004 I sent a letter to the Tenancy Relations Officer asking for assistance in obtaining the 2002 and 2003 year-end for Jefferson House – as per

my rights under the terms of my lease, as well as Landlord & Tenant legislation.

(See attached <sup>2</sup>). To this letter I attached a letter I had sent to the managing agents, Martin Russell Jones (MRJ), on 19 May 2004 as it detailed that I had not received the accounts in spite of asking a total of 7 times over a period of 12 months (see attached <sup>3</sup>)

3. After some chasing, on 25 June 2004, the Tenancy Relations Officer sent a letter to Ms Hathaway, MRJ, relating the fact that I had not been supplied with the year-end accounts. He comprehensively detailed the landlord's obligation under Section 21 of the L&T Act 1985, requested that I be supplied with the accounts – and stated: "*Please respond to this letter within 21 days, failure to do so may result in this authority instigating prosecution proceedings*" (see attached <sup>4</sup>)
4. Mr Barry Martin, MRJ, contacted Mr Hutchings (and myself) stating that they had sent me the accounts (see attached <sup>5</sup>).
5. This is simply not the case and is a typical deceitful and delaying tactic used by MRJ-Steel Services. I communicated this to Mr Hutchings in my letters of 22 July and 25 July 2004 <sup>6 7</sup> and, to circumvent MRJ' tactics, I asked Mr Hutchings that he requests Mr Martin to send him a copy of the accounts directly.
6. On 5<sup>th</sup> August I phoned Mr Hutchings to determine what actions he was taking to ensure that I was provided with the accounts. As in my previous conversations with him, I got the very distinct impression that my case was annoying him (the sighs were a tale-tell sign). Having first told me that he had not as yet retrieved my file, he then said: "*Mr McDougall has already told you before: we can't do anything because Steel Service is registered in*

*the BVI*". To which I replied: "*So, they are above the law in this country?*". He replied affirmatively to this.

7. As you can see from the events I relate in my 30 August 2004 letter to Mrs Ritchie, I had previously been 'fobbed-off' by the Housing Department when I asked for assistance in obtaining the names of the directors for the ownership of the block (as per my rights under Section 2 (1) of the Landlord & Tenant Act 1985). However, two years on, I have gained comprehensive knowledge of Landlord & Tenant legislation, as well as suffered being subjected to a false claim being filed against me in West London County Court by Steel Services.
8. Therefore, in my letter of 6 August 2004 to Mr Hutchings, I challenged his assessment pointing out that, in spite of being domiciled in the British Virgin Islands, Steel Services is not immune from prosecution in this country. In this context, I highlighted the following facts (supported by evidence):
  - a. Steel Services has used the British Courts to file a claim against 11 residents (representing 14 flats) (see attached <sup>8</sup>)
  - b. The outcome of a hearing on 24 June 2003 was that Steel Services had been issued with an order by the court to pay costs for the day to me (and the other residents present) (see enclosed <sup>9</sup>.)

Kangaroo  
courts

In this same letter I pointed out to Mr Hutchings that 6 weeks had now gone by since he had written to MRJ requesting that they comply with Section 21 (4) of the L&T Act 1985 by supplying me with the year-end accounts for 2002 and for 2003 and that, based on the L&T 1985 Act, the 2002 accounts were 1 year overdue, while the 2003 accounts were 6 weeks overdue.

9. As, by 13 August I had not heard from Mr Hutchings, I phoned him to determine what he had done. He said to have passed my case to the legal department. He was unable to give me a timescale and not prepared to find out. (When I insisted on getting an answer, I got more sighs and the reply that he could not chase them).

10. By 30 August I had not received any communication from the department. Having lost my patience, I opted to contact Mrs Ritchie, my Ward Councillor, for her assistance.
11. Mrs Ritchie replied very promptly on 2 September by email, on which she also copied Mr Gerald Wild, Head of Housing (see attached <sup>10</sup>)
12. As, by 10 September I had not received any communication from Mr Wild / his department, I sent him an email (above that of the attached from Mrs Ritchie)
13. By 15 September, I still had not received any communication from the department (and hence, no communication from the department since 13 August when I phoned Mr Hutchings. In other words: more than one month). I tried to phone Mr Wild but he was unavailable. I spoke to Ms Carretas who asked me to send her the email I had sent to Mr Wild. I did this and asked her to please get Mr Wild to reply (see attached <sup>11</sup>)
14. Yet again, my request is being ignored which prompts me to write to you for your assistance.
15. It is now more than 3 months since I first contacted the Housing Department asking for assistance.
16. As so common nowadays with government departments, I have had to push and chase every step of the way. (If I adopted the same attitude when they ask me to pay for my council tax, no doubt they would not waste any time prosecuting me).

7 How has this affected you?

Clearly, I am being denied my rights under the L&T 1985 Act and I am not getting the support to which I am entitled from the RBK&C Housing Dept

Given that it is precisely 3 months since Mr Hutchings sent the letter to MRJ threatening prosecution if they did comply within 21 days - and, to date, no action has been taken - they and Steel Services feel totally at liberty to continue committing a criminal offence (which is what they are doing right now).

8 What do you think the council or authority should do to put things right?

To immediately issue proceedings against Steel Services-MRJ to ensure that I am supplied with the 2002 and 2003 year-end accounts for Jefferson House - as per my rights under the L&T 1985 Act, and in compliance with the terms of my lease

9 Have you complained to the council or authority? **Yes (as detailed previously)**

*Note: In most cases, before we can investigate a complaint, the council must have a chance to answer it. If you have not complained to the council, please do so. You can find out how to complain from the council=s offices or you can ask a councillor to help. If you are not satisfied with the answer, or if the council does not give you an answer within a reasonable time, you can complain to the Ombudsman for your area. In some urgent cases, including education admission appeals, we may be able to deal with your complaint straight away.*

10 If you know, please say when you complained to the council or authority.

**It will help us deal quickly with your complaint if you send us copies of any letters or documents about it. Please say if you would like them returned when we have finished looking at your case. Yes/No**
