They were continuing to play their
criminal psychological harassment game:
I had NOT received the accounts.
Their next correspondence of 09.02.05, and mine of
27.02.05

Please may I have a response to this e-mail. If I do not hear from you, I will assume you do not wish me to proceed further with your complaint, and I will consider it settled by the production of the accounts.

Dear Ms Rawé

I understand that the accounts you were seeking have now been sent to you. I have also seen a copy of the Council's letter to you dated 16 December 2004.

As it seems you have now received the accounts you were seeking, can you please let me know if you wish to proceed with your complaint. If you do, please let me know what injustice you have suffered, the basis of your continuing complaint and what you think the Ombudsman can achieve by continuing the investigation.
