Let's park that until next week and enjoy the weekend. :-)

Meanwhile, I'd best get back to my emails. They are coming in like flies attracted to a pot of honey

Please, don't do anything until I have spoken to you.

There is nothing urgent. Nothing has changed. Best to ponder these things calmly - (which is why I waited until today to tell you about it)

Considering that you are my Line Manager, I would have expected you to be informed: I had a meeting with Peter Bassett and HR on Tuesday morning which, the day before, had been presented to me by Peter as a "catch-up meeting". No mention of HR of which I was only informed 30 seconds before walking into the room.

As I said, I am capturing events and will send it to you ahead of meeting with you.

Kind regards

Noelle,

I don't know anything about Tuesday, other than you left work unwell.

You can talk to me, formally or informally, at any time. I will leave to you to set something up.

About what took place on Tuesday: I don't know how much you have been told. However, as my Line Manager, I feel that I should talk to you about it – from the point of your being informed.

I am currently capturing events [[my Draft Notes](#)] of the 13 Feb 07 meeting, I then sent to Hughes on [18.02.07](#), and then to Bassett, Dunworth, cc'd Hughes, on [20.02.07](#) – but will finish over the weekend as I can see the emails dropping in and I best deal with these.

I'll send it to you once complete. If we could then set-up a meeting to discuss

Thank you  
Kind regards  
Noëlle Rawé

Events discussed on [the KPMG page](#) e.g. (ALL the following documents contain my Comments):

- my [17.01.08 Grievance](#) and to KPMG's [22.05.08](#) rejection of it ([section 11](#));
- my [03.04.08](#) Claim against KPMG in [the Employment Tribunal](#) (section 12) which, in its [PACK OF LIES Defence](#), it demanded be "*struck out*" ([section 14](#));
- my transcript of my secret recording of my so-called 'performance appraisal' meetings on [09.10.07](#) and [24.10.07](#) ([sections 8 and 9](#));...

...and note that KPMG knew exactly what my *actual* situation was at the time from, among other, its **previously associated firm of solicitors, McGrigors**, that looked at [121 pages of my website during March and April 2007](#) ([section 3.4](#)).

- my [05.08.08](#) and [17.08.08](#) letters to ACAS ([section 16](#));
- my [02.09.08](#) letter to the Tribunal stating that I wanted to transfer my Claim to the High Court ([section 16](#)).
