Dear Hannah-Maria

I sent the below email to Jeanette and got her 'out of office' automated reply that she is out of the office until Friday 13 – and suggesting you as contact during her absence.

I don't know whether you are familiar with my situation. As you will see from the below trail of emails, Jeanette said to have contacted Global ITS – but no action has yet been taken.

Below is the latest example (to be added to the below examples I sent earlier on today) when I tried to access the link for the Global RAS Academy course.

I can't work like that. This is in addition to getting very upset by this.

Thank you

Many thanks for your email Noelle. **I will look into this and get back to you as soon as I am able.**

This email was sent **4 hours after mine below**, and that of [Ceri Hughes, at 12h14](#).

**TRANSLATION** of “*when I am able*”: I am *not* going to do *anything* because I am under strict order not to – as Peter Bassett et.al. are getting their sadistic kicks from seeing you totally distraught from being cut off from ALL the sites for now 11 DAYS – which you again remind us in your below email, by saying that you are “*very upset by this*”. (section 4 [KPMG page](#))

See my emails the next day, 11 Apr 07:

- [at 09h49 to Talbot](#) that “*there has been no change in the situation* [listing sites I could not access]... *In other words, I am being denied access to practically everything*”
- on which I copied, Jeanette Dunworth and [Ceri Hughes, who asked me](#) whether I could “*access my Dialogue form*”; to which I replied that I could, and “*wonder whether I should read this blanket denial of access to sites as the message that I should pack up and leave*”

**NOTE THAT 7 DAYS LATER THEY WERE ENSURING A CONTINUATION OF GETTING THEIR SADISTIC KICKS e.g. [my 17.04.07 10h44 email](#).**

Hannah-Maria

Dear Hannah-Maria

I sent the below email to Jeanette [[10 Apr 07-10h28](#)] and got her ‘out of office’ automated reply that she is out of the office until Friday 13 – and suggesting you as contact during her absence.

I don't know whether you are familiar with my situation. As you will see from the below trail of emails [[emails between 30 Mar and 5 Apr 07](#)], Jeanette said to have contacted Global ITS – but **no action has yet been taken.**

Below is the latest example (to be added to the below examples I sent earlier on today) when I tried to access the link for the Global RAS Academy course.

**I can't work like that. This is in addition to getting very upset by this.**

While my line manager, [Ceri Hughes](#) (copied, on this, like the other emails) **refused point blank, during my so-called 'performance appraisal' meeting of [09.10.07](#)** (recording under section 8.1 [KPMG page](#)) **to discuss the impact this had on my ability to work e.g. my # 3 boxed Comments** on the [08.05.07-13h29](#) email from BUPA Wellness at KPMG...

... the **23 Apr 07** letter issued 'by' [Jeanette Dunworth, HR \(= Peter Bassett\)](#) that Bassett asked me to sign in his [24.10.07-09h10](#) email (I returned with my [25.04.07-13h45](#) email) – states:

*"...following a meeting attended by you, Jeanette Dunworth and me **on 30 March 2007, you were informed that your internet and intranet access would be restricted.**"*

**NO!** On 30 Mar 07 (section 3.4 [KPMG pg](#)) Jeanette Dunworth, HR, **mentioned ONLY the internet** - as I reported: (1)- in my [09.07.07](#) Subject Access Request (section 7 KPMG pg); (2)- under lines 134-135 my [17.01.08](#) Grievance:

*"Because of [[Andrew David\] Ladsky](#) [FALSE, MALICIOUS] **communication** [to [KPMG](#) against me] **claiming that "your website contains anti-Semitic comments" it has been decided that, "to protect you and KPMG, it would be best you no longer have access to the internet"***

**WHY restrict my access to the intranet i.e. the internal sites?** (as I stated under lines 233-236 of my Grievance).

To claim that this is what I was told would prove that KPMG had been intent on stopping me from doing my work...which is exactly what '[The Best Company to Work for](#)' **DID** – over a **24-DAY period!** A **FACT** it **ADMITTED** in [the letter](#):

*"Since then **you have been unable to access the external internet or the global intranet**"; [= the internal sites]*

*"**in order to enable you to carry out your day to day work**" ;*

*"**decided to reinstate your access solely for the purposes of allowing you to do your job**"*

...providing an **UNDENIABLE ADMISSION** that [KPMG](#) **HAD PREVENTED ME FROM DOING MY WORK – FOR 24 DAYS** ([23.04.07-11h34](#) email)

Thank you
