Hannah-Maria

To let you know that there has been no change in the situation – as can be seen from the below printscreens I have just captured – which means that, among others, I still CANNOT access:

- The Global Advisory site
- The services, markets, sales sites etc., from the UK Intranet home page, nor the Facilities site
- Any parts of the FAS site
- The KWorld Home page – which means, among others, that I cannot access the KPMG Key Contacts facility
- The Global Markets home page

Etc., etc.

In other words, I am being denied access to practically everything.

Events discussed under **section 4** [KPMG page](#).

For what happened to me at KPMG – see:

- my [17.01.08 Grievance](#) to KPMG, and its [22.05.08](#) complete rejection of it (includes my Comments) (**section 11** [KPMG pg](#));
- my transcript of my secret recording of my so-called ‘performance appraisal’ meetings on [09.10.07](#) and [24.10.07](#) (recordings under **sections 8.1 and 9.1** [KPMG pg](#));...
...and note that KPMG knew exactly what my *actual* situation was at the time – as its previously associated firm of solicitors, **McGrigors**, had been looking at [121 pages of my website in March and April 2007](#);
- my [03.04.08](#) Claim against KPMG in [the Employment Tribunal](#), and [its PACK OF LIES Defence](#) (includes my Comments), in which it demanded that it be “*struck out*” (**section 14**);
- my [05.08.08](#) and [17.08.08](#) letters to [ACAS](#), and my [02.09.08](#) letter to the Tribunal stating that I wanted to transfer my Claim to the High Court (**section 16**).
