In her follow-on email of [17 Apr 07-15h40](#), Serena Patching, [KPMG](#) IT, supplied me with [a spreadsheet](#) "to identify the sites [I] could not access".

As I stated in my [17.04.17-16h59](#) email: "**It would be easier to define what I can access rather than what I cannot access – which is very little**"

From: [Rawé, Noëlle](#)
Sent: 17 April 2007 10:44

Cc: [Dunworth, Jeanette](#); [Hughes, Ceri](#); [Bassett, Peter R](#)
Subject: **Still unable to access the majority of the sites**

Serena

To let you know **that there has been no change whatsoever in the situation [*]** – as you can see from the printscreens I have captured below as examples [**REPRODUCED BELOW my Comments**].

(*) By then it was DAY 18 (since 30th March – section 4 [KPMG page](#)) of my being cut-off from ALL the internal sites, as well as the internet – and therefore **unable to do my work** e.g.

- my [exchange of emails with Jeanette Dunworth, HR, between 30 Mar and 5 Apr 07](#);
- my [11 Apr 07, 9h49 email to Hannah-Maria Talbot, IT](#);
- my [17.04.07-16h59](#) email to Serena Patching, IT, that I could NOT access ANY of the sites I needed to do my work, and ended-up having to ask people to do things for me (thereby fulfil the objective of demeaning me, making me feel like a pariah).

It also included the sites that contained my 'priority training' for the year.

Leading me to write: "**For more than two weeks now, I feel totally cut-off.**"

NOTE that the **23 Apr 07** letter issued 'by' [Jeanette Dunworth, HR \(= Peter Bassett\)](#) that Bassett asked me to sign in his [24.10.07-09h10](#) email (I returned with my [25.04.07-13h45](#) email) – states:

"...following a meeting attended by you, Jeanette Dunworth and me **on 30 March 2007, you were informed that your internet and intranet access would be restricted.**"

NO! On 30 Mar 07 (section 3.4 [KPMG pg](#)) Jeanette Dunworth, HR, **mentioned ONLY the internet** – (as I reported: (1)- in my [09.07.07](#) Subject Access Request (section 7 [KPMG pg](#)); (2)- under lines 134-135 of my [17.01.08](#) Grievance):

"**Because of [Andrew David] Ladsky [FALSE, MALICIOUS] communication [to KPMG against me] claiming that "your website contains anti-Semitic comments" it has been decided that, "to protect you and KPMG, it would be best you no longer have access to the internet"**

WHY restrict my access to the intranet i.e. the internal sites? (as I stated under lines 233-236 of my [17.01.08](#) Grievance).

To claim that this is what I was told would prove that KPMG had been intent on stopping me

from doing my work...which is exactly what 'The Best Company to work for' DID - over a 24-DAY period! A FACT it ADMITTED in [the letter](#):

"Since then you have been unable to access the external internet or the global intranet"; [= the internal sites]

"in order to enable you to carry out your day to day work" ;

"decided to reinstate your access solely for the purposes of allowing you to do your job"

...providing an **UNDENIABLE ADMISSION** that **KPMG HAD DELIBERATELY PREVENTED ME FROM DOING MY WORK – FOR 24 DAYS** ([23.04.07-11h34](#) email from IT).

The evil, sadistic, perverse monsters were getting their kicks from seeing me sobbing uncontrollably at my desk from 2 Apr 07 onwards, for the best part of April - **section 4.1 KPMG page**, as well as:

- **headers 4.4 and 4.5** of my [17.01.08](#) Grievance (**section 10.2 KPMG pg**);
- **paras 9 and 10** of my [03.04.08](#) Claim against KPMG (**section 12**);
- **lines 87-129** of my [05.08.08](#) letter to [ACAS](#) (**section 16**).

NOTE that, in its **PACK OF LIES Defence** (**section 14**):

- under **paras 4(b), 6, 7 and 12(b)** (extracts below) - **as a COVER-UP ploy** - **KPMG DELIBERATELY mixed** the 13 Feb 07 meeting at which my usage of "KPMG's IT systems" was raised (**sections 3.2 and 3.3 KPMG pg**) - with the 30 Mar 07 meeting (**section 3.4 KPMG pg**, under which I discuss this)...

...as, what I was told on 30 Mar 07, by Jeanette Dunworth, HR, is as I quoted above,...

...and reported in my [09.07.07](#) SAR; **Header 4** of my [17.01.08](#) Grievance; **para.8** of my [03.04.08](#) Claim.

Hence, KPMG's claims in its **PACK OF LIES Defence** – under:

"Para.4(b) - *the Respondent was right, to restrict the Claimant's internet access due to her contravening the Respondent's IT policy"*

"Para.6 - *...the Respondent decided to restrict the Claimant's access to the internet as a precautionary measure."*

"Para. 7 - *This was not the start of or indeed any part of a campaign of victimisation but in fact a way of avoiding implementing the disciplinary procedure for the Claimant's serious breach of the IT policy which could potentially have led to the Claimant's dismissal."*

"Para.12(b) - *the Respondent believes that it was necessary to restrict the Claimant's access to the internet following the Claimant's abuse of the Respondent's IT systems and the threat of legal action from Mr Ladsky."*

...amount to claiming that it cut off my access (in fact, to ALL the sites) **6 WEEKS after it raised the matter with me!**

(NOTE that KPMG also made *the same claim* in its [22.05.08](#) 'response' (includes my

Comments) to my [17.01.08](#) Grievance – **section 11** [KPMG pg](#))

Desperate to CONTINUE getting their sadistic kicks, they FAILED to take action until 23 Apr 07 (section 4.2 KPMG pg).

Of course, in its [PACK OF LIES Defence](#), under **para.12(2)**, KPMG DENIED that “*it had caused me extreme distress*”.

I highlight the fact that the [ban on my usage of the internet extended to the KPMG websites](#): I was taken off from dealing with enquiries: my [24.04.07-09h34](#) email to Bassett and Hughes; [25.04.07-15h28](#) reply from Hughes – **even though the role limited my contacts to within KPMG**.

What was KPMG doing behind this?

[Demonstrating its unbelievable level of moral depravation](#) ...it was ‘ever so kindly’ “*offering*” me access to its “*health services*” (section 5 [KPMG pg](#)) e.g.

- 4 hours after my above emails: [05.04.07](#) email from [Nuffield Proactive Health](#) “*offering*” me a “*Health & Wellbeing Assessment*”

And [KPMG](#) kept pushing other of its “*specialists*” at me – trying to get me to bite on one of the hooks – see **my summary in the** [08.05.07-13h29](#) email from [BUPA Wellness KPMG](#) (that includes references to other events)...

...while, of course, CONTINUING to subject me to [Criminal Psychological Harassment](#) – in order to achieve its VERY SINISTER objective: **section 5.2** [KPMG pg](#); my Comments in my [14.02.07](#) Draft Notes of the 13 Feb meeting with Peter Bassett and Jeanette Dunworth.

7. Attempting to access the UK RAS home page

Address  http://portal.uk.kworld. 

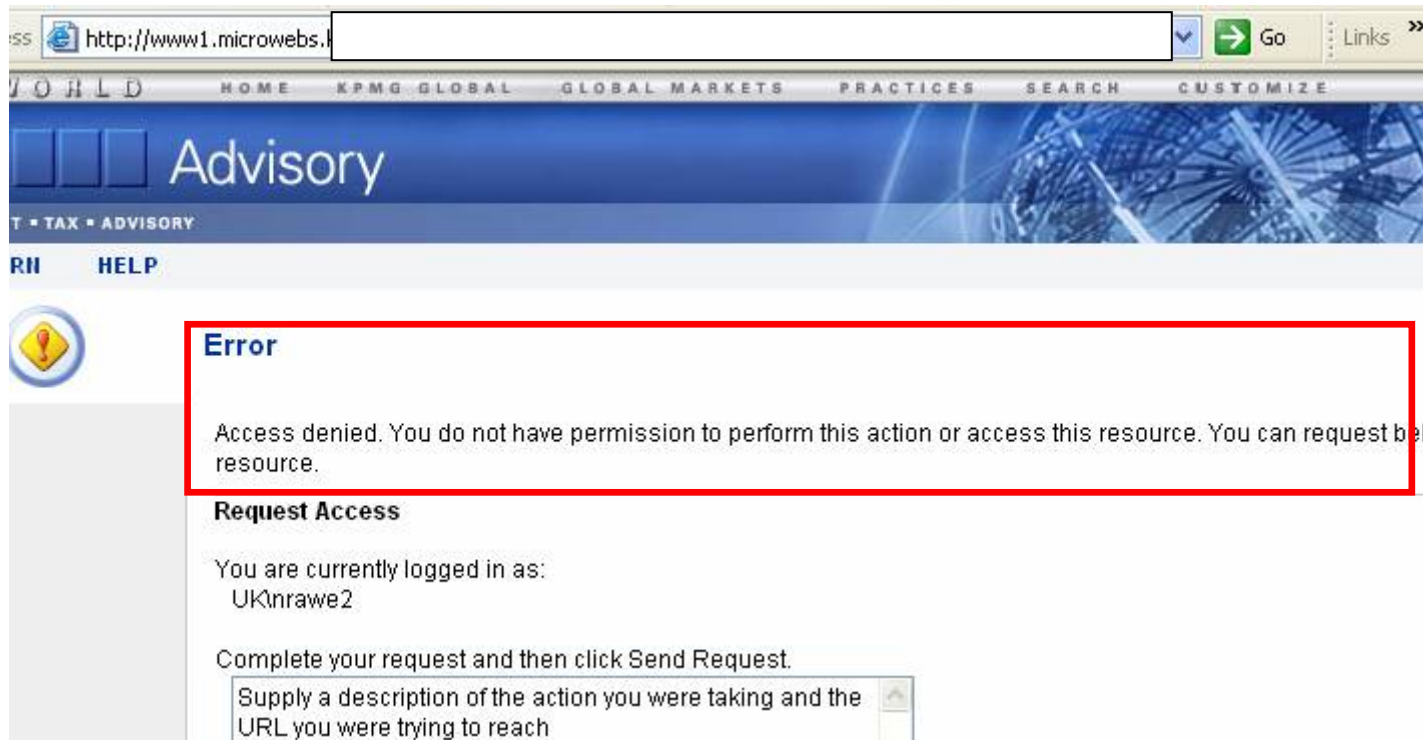

The screenshot shows the UK Intranet home page. The header includes 'UK Intranet' and 'TAX • ADVISORY'. Below the header, there are navigation links for 'Directory | National Directory | Client & Targets' and a date '2007 Good Morning Noelle Rawe (Infrastructure)'. A sidebar on the left contains 'UK LINKS AND HELP' and 'CURRENT TASKS | HOW DO I.?' with a list of links. A central 'LATEST' section is partially visible. A modal dialog box is open in the foreground, titled 'Connect to www1.microwebs.kworld.kp...', showing a key icon and a 'User name:' field with a dropdown menu.

Address  http://www1.microwebs. 

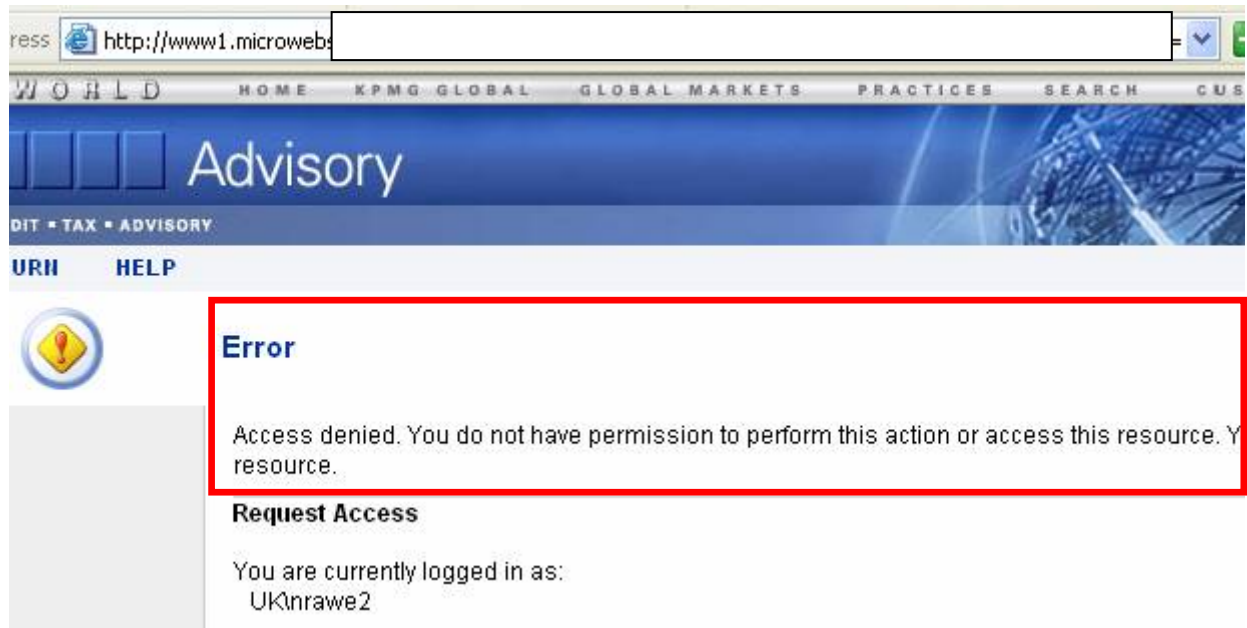

The screenshot shows the 'Advisory' page of the UK Intranet. The header includes 'WORLD', 'HOME', 'KPMG GLOBAL', 'GLOBAL MARKETS', 'PRACTICES', 'SEARCH', and 'CUSTOMIZ'. Below the header, there are navigation links for 'IRII' and 'HELP'. A yellow warning icon is visible on the left. A red-bordered box highlights an error message: 'Error: Access denied. You do not have permission to perform this action or access this resource. You can r resource.' Below the error message, there is a 'Request Access' section and a note: 'You are currently logged in as: UK\rawe2'.
