Serena

In terms of accessing internal sites, I have not come across one that I could not access.

In terms of external Internet sites: for test purposes, I have just the BBC weather website and it opened up.

As I know that I am barred from accessing any external sites: I have NOT been doing it.

Kind regards

Noelle

Please could you confirm that you are able to access all the Global Intranet websites you require to complete your work and have no Internet access?

We completed some changes to your account late last week and want to confirm that access to the various intranet websites remains?

Please let me know if you have any queries.

Kind Regards  
Serena

**TRANSLATION:** We have NOT done anything, anymore than we did since cutting you off - deliberately - from the network on 30 Mar 07 (as you know from the 23 Apr 07 letter)...  
...giving us, especially Peter Bassett, Ceri Hughes and Jeanette Dunworth, endless fun over the 24-day period.

But, our claiming this now will help 'demonstrate' that KPMG 'tried ever so hard to address the situation'...should you decide, at some point, to take legal action against KPMG.

Noelle

Please **could you confirm that you are able to access all the Global Intranet websites you require to complete your work and have no Internet access?**

(NB: If the linked documents don't open, try with:

**After 24 DAYS!** (BUT: they kept ensuring a continuation of getting their sadistic kicks!)

**I was cut off from ALL THE SITES on 30 Mar 07** (discussed under **sections 3.4 and 4** [KPMG page](#)) – e.g.:

- my exchange of emails with Jeanette Dunworth, HR, between [30 Mar and 5 Apr 07](#);
- my [11 Apr 07-9h49 email to Hannah-Maria Talbot](#);
- my [17.04.07-10h44](#) email to Serena Patching, IT, capturing many printscreens as examples of the sites I could not access;
- my [17.04.07-16h59](#) email to Patching returning a spreadsheet she had asked me to fill in, in which I identified many other sites.

**WHY?** (see next Comments below)

During that time, the thoroughly evil, morally depraved, perverse monsters had been getting their sadistic kicks from seeing me sobbing uncontrollably at my desk from 2 Apr 07 onwards, for the best part of April – **section 4.1** [KPMG pg](#), as well as:

- **headers 4.4 and 4.5** of my [17.01.08](#) Grievance (**section 10.2** [KPMG pg](#));
- **paras 9 and 10** of my [03.04.08](#) Claim against KPMG (**section 12**);
- **lines 87-129** of my [05.08.08](#) letter to [ACAS](#) (**section 16**).

They had been getting their sadistic kicks – **while having ABSOLUTE KNOWLEDGE that I was an innocent victim of organized crime** – as KPMG's previously associated firm of solicitors, **McGrigors**, had been looking at [121 pages of my website in March and April 2007](#).

**We completed some changes to your account late last week** and want to confirm that access to the various intranet websites remains?

**TRANSLATION:** We have NOT done *anything*, anymore than we did since cutting you off – **DELIBERATELY** – from the network on 30 Mar 07 (as you know from [the 23 Apr 07 letter Peter](#)

[Bassett made you sign](#))...

...giving us, especially [Peter Bassett, Ceri Hughes, your line manager, and Jeanette Dunworth, HR](#), endless fun over the 24-day period from seeing you in such a state at your desk.

But, our claiming this now will help 'demonstrate' that KPMG 'tried ever so hard to address the situation'...should you decide, at some point, to take legal action against KPMG.

Note that in his [24.04.07-09h10](#) email, Bassett claimed: "**while IT cannot put in place the necessary arrangements**"

(During Part 1 of my so-called 'performance appraisal' with my line manager **Ceri Hughes**, on [09.10.07](#) (I secretly recorded) (recording under **section 8.1 KPMG pg**), when I raised it, she replied (lines 130-135):

**"it was a mistake, you were meant to have intranet access.**

**It was unfortunate, regrettable, and something that we should and would wish to avoid, but nevertheless it did happen.**

**There is nothing more that I can do, or anyone else can do to change that")**

"A mistake" – by KPMG one of the leading IT consultancies!

(Henchwoman **Ceri Hughes** was always ready to assist KPMG in any way she could. Other example: 'her' highly threatening letter to me of [14.12.07](#))

= Serena Patching was CONTINUING with **THE COVER UP** for their **DELIBERATELY** cutting me off the network for 24 DAYS – as is glaringly obvious in the letter Bassett asked to sign, I returned with my [25.04.07-13h45](#) email:

**"you were informed that your internet and intranet access would be restricted."**

**NO!** – At the 30 Mar 07 meeting (**section 3.4 KPMG pg**), **Jeanette Dunworth, HR**, mentioned **ONLY the internet** – (as I reported: (1)- in my [09.07.07](#) Subject Access Request (**section 7 KPMG pg**); (2)- under lines 134-135 of my [17.01.08](#) Grievance (**section 11 KPMG pg**); (3)- **para.8** of my [03.04.08](#) Claim against KPMG):

**"Because of [Andrew David] Ladsky [FALSE, MALICIOUS] communication [to KPMG against me] (\*) claiming that "your website contains anti-Semitic comments" it has been decided that, "to protect you and KPMG, it would be best you no longer have access to the internet"**

(Hence my reply in this email asking what I needed to do)

(\*) As in the case of other communications from Ladsky to KPMG, they did NOT show me the communication: a [26.03.07](#) letter (includes my Comments) (discussed under **section 3.5 KPMG pg**). I had to battle with KPMG to finally get this highly redacted version – 7 MONTHS LATER (**section 7 KPMG pg**)

**WHY restrict my access to the intranet i.e. internal sites?** (as I stated under lines 233-236 of my Grievance).

To claim that this is what I was told **would prove that KPMG had been intent on stopping me**

from doing my work...which is exactly what **'The Best Company to Work for'** DID - over a 24-DAY period! (23.04.07-11h34 email from IT). A FACT it ADMITTED **in the letter**.

**"Since then you have been unable to access the external internet or the global intranet"**

**"in order to enable you to carry out your day to day work" ;**

**"decided to reinstate your access solely for the purposes of allowing you to do your job"**

...providing an **UNDENIABLE ADMISSION** that **KPMG HAD DELIBERATELY PREVENTED ME FROM DOING MY WORK – FOR 24 DAYS.**

Please let me know if you have any queries.

Kind Regards  
Serena

As reported above, what I was asked to do, is: **SIGN A LETTER 'AGREEING' TO BE BARRED FROM USING THE INTERNET!!!!**

Thank you
