The previous email from [Ceri Hughes](#), on that day, was [09.05.07-09h48](#) also telling me that “[**she was] on the phone**” – and therefore could not talk to me.

The day before, she had sent me this [08.05.07-11h32](#) email asking me “**to hotdesk in Dorset Rise**”, in order “**to work more closely with the rest of the team**”. See my Comments on that email.
