This information relates to my so-called 'performance appraisal' meeting with my line manager, Ceri Hughes on 9 Oct 07 – I secretly recorded: [transcript](#); recording under section 8.1 [KPMG page](#).

As can be seen, the room is booked for 1.5 hrs – obviously leading me to the expectation that it was the time allocated for the meeting.

However, by the end of barely one hour, Hughes announced ([lines 609-610](#)): “**Something I should have pointed out at the beginning, I’ve got another meeting at five, so we are not going to finish today**”

This was TOTALLY UN-KPMG WAY:

- as I said at [lines 560-578](#) during Part 2 of my so-called 'performance appraisal' meeting on [24.10.07](#) with Peter Bassett, partner, and Kathy Woodhouse, HR, (I also secretly recorded; recording under section 9.1 [KPMG pg](#));
- in my [15.10.07-10h05](#) email to Jeanette Dunworth, HR (section 8.4 [KPMG pg](#)).

It led me to absolutely view this as A CONTINUATION of the [criminal psychological harassment regime \(Persecution # 1\)](#)... and it continued!
