Dear Noëlle
I have left you a v/m message **just to introduce myself in preparation for tomorrow's meeting**.

Refers to **PART 2** of my so-called 'performance appraisal' meeting on **24.10.07** (I secretly recorded; the recording is under **section 9.1 on the KPMG page**).

In the light of what took place during the meeting, I highlight the **19.10.07-14h57** email from **Jeanette Dunworth, HR**, that, the by then, the unnamed **Kathy Woodhouse would attend the meeting "to ensure that [my] appraisal is finalised in a fair and independent way"**.

For their interpretation of "*fair and independent*": in addition to **my transcript** / recording of the meeting, see **sections 9.1 to 9.7 KPMG pg.**

Er,...yes, that's **the KPMG that summarised its 'Values' as "Above all, we act with integrity"**!

I have an external meeting from 2 – 4.30 p.m. but if you get the opportunity to call me [☒] before then or after, it would be good to say hello. If not, I look forward to meeting you tomorrow.
Kind regards, Kathy
