

Further proof that the 100+ litres of water poured through a light fitting in my bathroom, just before midnight on 18 July 14 was - yet again a malicious act (by then it was the 9th 'escape of water' in my apartment) (Persecution 1(4)(16))... ..is the fact that Martyn Gerrard did NOT respond to this letter. Of course, NOR did it ever contact me about it...

....in spite of the porter Pawel Smiglelski coming to my apartment on 21 July 14 spinning a story I proved was riddled with lies. Clearly unable to wait until I placed the evidence on my website, the objective was to see - and report - on the outcome of his criminal handiwork. Well... the mafia got a bonus: it led me to set up an account on YouTube on which I placed the videos (and have since added others)

Dear Sir

POLICYHOLDER: MS N RAWÉ
INSURANCE CLAIM FOR: ESCAPE OF WATER
DATE OF INCIDENT: 18 JULY 2014 ← **My Diary 18 July 14 / YouTube**
LOCATION: APT 3, JEFFERSON HOUSE, 11 BASIL STREET, LONDON, SW3

Please note that [REDACTED] are Loss Adjusters instructed to deal with insurance claims on behalf of [REDACTED].

We have received a claim for water damage to the above property.

We understand that you are the freeholder of the above property and we are advised by the leaseholder of flat 3, Ms N Rawé, that she has suffered several water leaks over the years mostly emanating from the apartment above causing water damage to her apartment.

No! Some are definitely NOT from this apartment: Persecution 1(4)(16)

Whilst the insurance contract covers the internal water damage we would request that you confirm the exact cause of the water penetrating Ms Rawé's basement flat and assure us that the issue has been rectified and that there will be no further water leaks of this nature.

Should you have any further queries or require any additional information please feel free to contact this office and we will be only too happy to assist you.

Yours faithfully
