ENV07-5

- The letter is dated 18 JAN 12.
- The stamp on the envelope states:
*Condition 9 Access Mail

- This letter should
have been in the
London bag.

- WHERE was this letter in the previous 4 months before MAIDSTONE received it?
- It was clearly intercepted, and then placed in a post that would end up in MAIDSTONE
- ... with a stamp that would lead me to wonder what had happened.
