Ms Noelle Dit-Rawe

Our Ref: T4739/3  
Date 27 August 2003

Dear Ms Dit-Rawe,

Thank you for your letter dated 16 August 2003.

Links to my 17 Aug 03 letter to The Guardian, but I sent the same letter to a dozen media on which, **each time**, I copied 7 ministers, including Tony Blair, then Prime Minister - and **every time** I also supplied the 11 supporting documents to my letter

I would like to advise you that the matters raised are the responsibility of the Office of the Deputy Prime Minister (Treat Official).

I have therefore transferred your letter and its enclosures to Correspondence Section, Zone 2 B/3. Ashdown House, 13 Victoria Street, London, SW1E 6DE, telephone , who have agreed to arrange for a suitable reply to be sent to you.

(A)

Please call me if I can be of further assistance.

Yours sincerely

Consider that:

- (1)- the **Home Secretary**, then **David Blunkett (HO # 1)**, has **responsibility for the police**;
- (2)- on pg 4 of **my letter**, I report: "**I cannot rely on Kensington police for protection**" - and support this by providing damning evidence in my letter
- And THAT is 'the reply' from the Home Office! **IGNORED!** (Not only has this continued ever since, **subsequent Home Secretaries have played a very active part in ensuring the dishing out of ongoing persecution against me**)

Note also that, on my letter, I copied **Lord Falconer of Thoroton** then **head of the courts** (with which **John Prescott, Deputy Prime Minister, had nothing to do**) .

Likewise, in spite of what I report, on pg 3 of **my letter**, **Falconer took no action**. In fact, he continued doing the same thing, one year later, when I sent him a **29.06.04** 'cry for help' - by which time I had accumulated even more damning evidence against the courts.

The "**suitable reply from John Prescott**" who was only concerned with the LVT and housing matters? None! Until I copied him on my **06.09.03** to the tribunal, leading him to respond with a 'Get lost!': **06.10.03**

Ha!Ha!Ha!Ha!Ha!
