Dear Sir,

Review into leaseholder service charges

On 24th September, a colleague of Steve O'Connel, made a presentation at the AGM of [C.A.R.L.](#) (Campaign for the Abolition of Residential Leasehold) about the above project. He suggested we copied our GLA member on the reply.

To this effect, please find herewith enclosed my [4th October 2011](#) response to Mr O'Connel, including a [5-page spreadsheet](#) in which I have captured, among other, information from accounts or "*estimates*" from 1992 to 2011, for [Jefferson House, 11 Basil Street, London SW3 1AX](#).

Yours sincerely,

Noëlle Rawé
