29th July 2002

I had met with Portillo on 28 May 02. Ahead of the meeting, I had sent him this **27.05.02** pack to brief him on my situation

My **02.08.02** reply

Dear Ms Rawé

As you know, your letter of 1 July addressed to Barry Gardiner, MP, together with the very comprehensive booklet you have prepared has been forwarded to me, as I am your Member of Parliament.

I am very sorry that your worries in respect of Jefferson House continue. However, as you will know from my earlier letter of 28th May, as your local Member of Parliament, I do not see how I can assist you in your current situation but would suggest that the best way forward for you is, if you can, to obtain a sound legal opinion.

= One of the typical 'get lost' from the British Establishment (My Diary # 2.5) to get rid of 'the little people'.

- And if I can't afford "a sound legal opinion" (first hoping that I am not going to end up with a corrupt lawyer...followed by corrupt judiciaries (kangaroo courts)...

WHAT DO I DO?

commit suicide as and when I have been ruined by the criminal landlord and his gang of racketeers, as well as by his 'brothers' (Persecution # 6)?

Yours sincerely
Michael Portillo

Ms N. Rawé
