Winter Fuel Payment

We are sending out Winter Fuel Payments to help meet the cost of
winter heating bills.

About this payment

The decision to pay the amount awarded below is based on information
we hold for the qualifying week of 17-23 September 2012.

A Winter Fuel Payment *

£100.00

* This payment is paid at a shared rate because there was another
person living in the household also entitled to this payment.

You do not have to pay income tax on this payment.

This amount will normally be paid direct into your account within the
next 3 weeks.

(Paid in on
27 Nov.)

We are making these payments over a number of weeks from November so
people may get their payment at a different time, even if they are
living at the same address. We aim to make all payments by Christmas.

* That's news to me!!

EXACTLY WHO do you assert was "also living
in the household"?

by continuing to align yourselves with the Andrew
David Ladsky organised crime mafia and their other
