By September, I had **one 'reply'** to this letter: **a fraudulent 08.08.16** 'reminder' **for £47,250** from [the Martyn Gerrard racketeers](#) (includes my Comments). (The 'indirect' 'reply' was the [28.07.16](#) letter 'from' Alison Saunders, CPS).

This is what I expected from those in a position to take action, and intended to prove: their double standard when it concerns "hate crimes" committed by their criminal tribe members v. by 'the little people': **they condone (1) the former, and condemn (2) the latter.**

But: their claims make good fodder for the hordes, as well as massage their egos.

(1)(2) Concise Oxford English dictionary definition of: **'condone'**: "Accept or forgive (behaviour considered wrong or offensive)"; **'condemn'**: "Express complete disapproval of".

(If the linked documents don't open, try with )

Dear All,

In its 28th June 2016 edition, The Guardian had an article: "[UK faith leaders unite in condemning post-referendum rise in xenophobic abuse](#)" in which it reported some comments from you.

The outcome of my experience in this country since 2002 – in which I have lived, as an immigrant, since 1968 (and a British national for many years) – leads me to briefly challenge them (comprehensive detail is contained on my website www.leasehold-outrage.com).

Chief Rabbi Ephraim Mirvis – you are reported as saying:

"Sadly, we know only too well that when political and economic uncertainty strike, discord and hatred are often not far behind.

We must heed this warning that even here in the UK, where we treasure diversity, we are not immune to the scourge of prejudice."

Since 2002, my life has been absolute sheer utter hell and destroyed by greed-driven 'Jewish' individuals who, because I 'dare' to challenge their organized crime activities, have, and continue to lash back at me by dishing out / ensuring the dishing out of hate crimes against me.

In the process, *all* those involved have redefined the concepts of evilness, cruelty, viciousness, sadism, perversion and victimization.

They picked on me because I represent their 'ideal profile': female; Franco-German origin; single; no family in this country; source of income: through employment – which my enemies ensured [I lost](#). Hence: a target not expected to fight back against the extremely abusive and barbaric treatment.

My experience first started with [my 'Jewish' landlord, Andrew David Ladsky](#) who, with his (predominantly ['Jewish' gang of racketeers](#), decided that I (and fellow leaseholders, at Jefferson

House, [11 Basil St, London SW3 1AX](#)), would be made to pay for the construction of a [penthouse and addition of other apartments](#) – for which we are not liable – so that Ladsky could make a multi-million £ jackpot; (my website: [Advisors page](#); [Sale of flats page](#); [Definitions page, under Extortion](#)).

In the pursuit of their insatiable greed, they treat me (and treated my fellow leaseholders) like chattel, there to be used, abused and exploited by them – at will.

Their obvious conclusion that they have some divine right to operate above the law of the land is reinforced by the fact that they have no difficulty finding individuals in their image in the public sector who are only too happy to assist them in their criminal activities, as well as protect them from the legal consequences. As detailed on my website, [Home Office page, under # 3.1\(4\)](#), a number of these individuals are Jewish / presumed to be Jewish:

- ministers (at the time of my contacts): in particular, for ‘justice’ (Lord Falconer of Thoroton; Jack Straw), for housing (John Prescott), as well as ‘my’ member of Parliament (in particular Sir Malcolm Rifkind) (my website: [MPs-Others](#));
- prime ministers – including the new one, Theresa May (who [described herself as “Jewish”](#)⁽¹⁾), who has been a key instigator of hate crimes against me by issuing repeatedly illegal ‘surveillance’ warrants against me that amount to ongoing persecution ([Persecution page](#));

(Proof that she has given the police and related agencies a free hand to do whatever they want against me: (1)- with the assistance of a [High Court master \(Master Eyre\)](#), she (typically⁽²⁾) rejected my legitimate [19 Apr 11 Claim](#) (my website: [Home page # 18](#); [Home Office page # 3](#); [Other courts page # 6](#));

(2)- As reported under [Home Office # 3.1\(4\)](#), incensed by her hypocritical comments at the Sep 14 Conservative Party conference, I wrote her a [25 Nov 14](#) letter in which I contrasted her claims with my case. I never received a reply (nor from the 19 other individuals I twice copied on the letter, including the then [Prime Minister David Cameron](#), and four Cabinet Ministers). Well, I did receive ‘a reply’: a continuation of the persecution by the police and related agencies – that includes their continuing to operate hand in glove with the Ladsky resources).

[The “19 individuals” include **Keith Vaz**. I am delighted he got his comeuppance: e.g. [“Keith Vaz resigns as chair of home affairs select committee”](#), Guardian, 6 Sep 16]

¹ My website: [Home Office page # 3.1\(5\)](#)

² As [Aida Edemariam](#) of The Guardian reported in her 13 July 16 article, [“Theresa May is no liberal – and her rise to PM is no cause for celebration”](#): “As home secretary she has been zealous in her pursuit of the government’s harshest policies.”

Referring to immigration cases: “...the Home Office using a sledgehammer to crack a sesame seed. No case, it seemed, was too small to prosecute, no judicial decision water-tight enough not to challenge, all the way to the highest courts in the country...”

“...the president of the upper tribunal noted that he had “the impression that the secretary of state [for the Home Office], as a matter of routine, applies for permission to appeal in every deportation appeal [resolved in favour of the appellant]”

“These applications, it seemed to him, were often generic, not engaging with specific cases but lodged simply to try to ensure that no appeal could ultimately be successful.”

Referring to a particular case: “Because the government kept refusing through higher and higher courts, the case eventually involved 18 barristers and cost well over £600,000”.

Ms Edemariam also refers to the [“Go home” vans](#) Theresa May had circulating in London (“[“Go home” billboard vans not a success, says Theresa May](#)”, The Guardian, 22 Oct 13). This will have certainly encouraged “xenophobic abuse”.

[May's unflinching support to Jews (starting with my case), is promoted e.g. [Board of Deputies of British Jews](#) “Watch the board in action” (at Sep 16) shows her holding the placard “Je suis juif” and praises her for “always showing an attentive ear to the issues affecting the British Jewish community”; AND [“European Jewish Congress congratulates incoming British Minister Theresa May”](#) (Sep16)]

- judiciaries – in the local courts (West London County Court [in 2002-04](#), and [in 2007-08](#); [Wandsworth County Court](#)); in another court (Supreme Court Costs Office); tribunal (the then [Leasehold Valuation Tribunal](#)) – *all* in the context of fraudulent claims by Ladsky; also, in the [High Court](#), in the context of my Claim...

[SCCO:
Overview # 12]

...- who *all* suffered from 'sudden attacks' of extreme blindness to the very damning evidence, as well as amnesia about the rule of law (summaries of events on the [Definitions page, under Kangaroo courts](#));

- police – across the board, including Metropolitan Police Commissioner ([Home page # 13, # 16, # 17, # 18.1](#); [Kensington & Chelsea police page](#); [Other courts page # 4](#));
- 'regulators' and the 'regulators' of the 'regulators' ([Home page # 7 / Doc library: summaries of my 50+ legitimate 'cries for help' and complaints – in vain](#)).

[See my
note at
bottom of
page]

In fact, my experience leads me to wonder what gives Jewish people so much control over this country - and control over the authorities is certainly what [the Andrew David Ladsky gang](#) has.

[Summaries
under [Data
Protection
Act](#)]

In addition to the above, another irrefutable example of this: in spite of the very damning mountain of black-on-white evidence of criminality against them on my website, they are the ones who are currently laughing their head off at me – whilst 'I', their victim, has, since 2003, packs of lies so-called "*crime reports*" processed against me by [Kensington, Chelsea & Notting Hill police](#). These reports are accessible by over 50,000 people - thus defaming my name, character and reputation on an ongoing basis among a very large audience – and, no doubt, rallying support against me, as well as creating hatred towards me.

In total disregard of the evidence, [one of the reports](#) includes describing Ladsky (the undeniable driver of the criminal activities) (³) as "*the vulnerable victim*" 'I' "*intimidate*" – and portrays me as an "*anti-Semite*"; "*a Nazi*" "*because of my franco-german (sic) origin*".

These labels stem from Ladsky. [Kensington & Notting Hill police](#) readily endorsed them, as well as built on them - including portraying me as such in its highly malicious, vicious and scurrilous [Apr 07 emails](#) to my website Host. How about that as evidence of "hate crimes"?

(Yes: this is endorsed at high level, as the "*crime reports*" were the basis of my [19 Apr 11 Claim](#) (in vain) against the then Met Commissioner, Paul Stephenson) (my website: [Home page # 18](#); [Other courts page # 4](#)).

This experience leads me to view the often-heard claim from Jewish people of "*being the victims of antisemitism*", as having the objectives of: silencing people who 'dare' stand-up to them; rallying others to them who have not suffered at their hands / opt to ignore their actions.

My very damning evidence against the Ladsky gang keeps on growing, in particular against [Martyn Gerrard](#), the 'Jewish' so-called 'managing' agents for Jefferson House, since 2011, who has been sending me [ever-growing fraudulent demands](#) (now standing at over £45,000) – while ignoring *all* my correspondence. (I have more evidence to add on my website).

[I have since added [sections # 30 +](#)]

[See [Martyn
Gerrard end
of page](#)]

Among its numerous breaches of legislation, many amount to criminal offences. Yet, it very clearly has no concern *whatsoever* about my placing the evidence on my website i.e. in the public domain, since 2011. Why not? Because it, (like Andrew David Ladsky and the rest of [his gang since 2002](#)), *knows* it has *nothing* to fear from the British authorities.

[Examples of contributors to their control: [Board of Deputies of British Jews](#) ([Wikipedia entry](#)) (and [European](#) and other [international](#) congresses) with their tentacles deep into the state and institutions, including [funding of political parties](#) - and intertwined with the [Freemasons](#) ([Persecution # 6](#)); dominance of financial sector on which the state is reliant; etc.]

³ Proof, on my website, under e.g. the [Introduction to the Cawdery Kaye Fireman & Taylor \(CKFT\) page](#)

As Chief Rabbi, do you want to make a difference? Do you *actually* want to be a key influence in “*eradicating discord, hatred and the scourge of prejudice*”?

[See also my assessment of Gerrard’s letterhead decorations]

As you can see, I am giving you many opportunities to do something – starting with [Martyn Gerrard](#) and [its client](#). As it happens, the monsters, [Simon Gerrard](#) and [Saul Maurice Gerrard](#), (who evidently derive immense pleasure from inflicting [criminal psychological harassment](#)), are located in your street (at 197 and 35 Ballards Lane respectively) (based on information from the Company Check website). (197 Ballards Lane is the location that issues [the fraudulent demands](#)). Hence, it will be particularly convenient to set up a meeting.

Will you take action?

[Of course he wasn’t going to- because **he endorses the conduct!** ‘The reply’ was the [08.08.16](#) ‘reminder’ from [Martyn Gerrard](#)...

...See also my ‘Overall conclusions’ in the [summary of “service charges”](#)]

Archbishop Justin Welby – you are quoted as saying:

“*A common stand against intolerance, discrimination and hatred was “absolutely crucial for the future of Britain and for rebuilding this country with a new vision of what it means to be outward-looking, generous, hospitable, powerful in doing good, strong in resisting evil”*”

As a [spiritual peer of the House of Lords](#) – and therefore, also a legislator – considering the following examples:

- devising, and then implementing forfeiture legislation (⁴), whereby, for non-payment of a mere £350, a [leaseholder](#) can have his/her apartment forfeited – thus paying e.g. 1,143 times the alleged debt in the case of an apartment valued at £400,000 (£400,000 / £350); (⁵)
- doing this *knowing* that this legislation will be used by rogue landlords and their aides to extort monies from leaseholders – that are frequently not due and payable ([as has already happened to me twice](#));
- leaving leaseholders at the mercy of a deliberately, [totally unregulated](#), corruption-ridden leasehold sector – including [its supporting infrastructure](#). [Should be ‘riddled’]

Do you not perceive these examples as blatant “*discrimination and hatred*” of the little people who are leaseholders?

Do you agree that these examples are most definitely *not* reflective of an “*outward-looking, generous, hospitable society*”?

Are you going to seize the opportunity to, not only “*set a new vision*” for the leasehold sector – but *actually* implement it – which, in my view, and that of many others who are more knowledgeable than me, ultimately means abolishing the residential leasehold system and replacing it with commonhold? (⁶)

Will you rally others to the cause in the House of Lords, including [the 25 other bishops](#)? (Contacts in the Commons include the Leasehold Knowledge Partnership’s patrons Jim Fitzpatrick and Sir Peter Bottomley (as reported in the article detailed under ref. # 6, below)).

[Bottomley is [one of \(many\) members of the ‘All-party parliamentary group on British Jews’](#)]

⁴ Statutory Instrument - 2004 No.3086 - **The Rights of Re-entry and Forfeiture** (Prescribed sum and period) (England) Regulations 2004 (<http://www.legislation.gov.uk/uksi/2004/3086/contents/made>)

⁵ What happened to a leaseholder: “**Woman has £165,000 flat forfeited over what began as £290 ground rent demand**” – Leasehold Knowledge Partnership, Sep 14 (<http://www.leaseholdknowledge.com/flat-forfeited>)

⁶ “**For first time in 14 years, Westminster hears more of commonhold**”, Leasehold Knowledge Partnership, 11 July 16 (<http://www.leaseholdknowledge.com/commonhold>)

[See e.g. [Definitions # 2 – 'Freehold'](#)]

Or: will you continue with the “*intolerance, discrimination and hatred*”...because the church, as one of the country’s biggest freeholders (with the Crown Estates, the ‘Great Estates’), is actually a key beneficiary of the current feudal and outrageously unfair system? (I have come across one case in which the church used forfeiture legislation against a leaseholder (⁷)).

Bishop Stephen Cottrell - you are quoted as saying, in the House of Lords:

“Reports of xenophobic or racist abuse abound on social media”

Politicians have played a key part in this state of affairs.

Further, as you can see from my case, they have a very large supporting cast in other parts of the public sector.

Chief Inspector Gareth Parkin, Manchester police – you are quoted as saying:

“All hate incidents are treated with severity and this behaviour will not be tolerated”

On the face of it, it makes a very refreshing change from the Metropolitan Police Service (my website: police page).

However...I have been reading in [Private Eye](#) (# 1394, 1396, 1416 & passim) about the case of whistleblowing chief inspector John Buttress, Greater Manchester police, who “says *he is a victim of a smear campaign after being accused of a string of spurious criminal allegations by his former colleagues. Although cleared by the courts, the force still sacked him.*”

This, to me, undermines your assertion.

United Nations Human Rights Chief, Zeid Ra’ad al-Husseini – you are quoted as saying:

“[That you]...urge the UK authorities to prosecute those responsible; that racism and xenophobia are “completely, totally and utterly unacceptable in any circumstances”.

Whilst I endorse your view, I would like to suggest that you look at the European Court of Human Rights to ensure that those of us who fail to get redress in the UK have an avenue open to us.

As summarised on the Home page to my website, under [# 18\(3\) to 18\(5\)](#), in breach of [Article 45 of the European Convention](#), in [June 2012](#), one judge, [Vincent A. De Gaetano \(Malta\)](#), rejected my legitimate [26 Jan 12](#) Application.

[See my subsequent note below]

This and subsequent events (explained on my website) led me to the conclusion that this outcome was facilitated by the fact that, at the time, the court was under British mandate. How can this corruption be allowed to take place?

[Headed by [Sir Nicolas Bratza: ECtHR # \(2\)\(2.1\)](#)]

(As an aside, I must say that I do not understand why, (if one happens to be lucky), the ECtHR considers UK cases - given that the [UK Human Rights Act 1998](#) *excludes* two critical articles: Article 1– Obligation to respect human rights; Article 13- Right to an effective remedy (⁸)).

Amnesty International Director, Kate Allen – you are quoted as saying:

“You launched an emergency campaign. Some people now feel licensed to express racist views in a way we haven’t seen for decades”.

[Corruption takes place in international organisations (**including the UN’s HR** e.g. [suspension of whistleblower](#)) because it is endemic within the participating countries]

⁷ **Church Commissioners for England v Koyale Enterprises Inc.**

⁸ <http://www.legislation.gov.uk/ukpga/1998/42/schedule/1>

As you can see from my case, “*these people*” include the police et-al. in the British State who, in addition, ensure that the “*racist views*” are disseminated far and wide.

However, my case should not be news to Amnesty International as, at the time of my [25 Nov 14](#) letter to [Theresa May](#) (referred to earlier), I hand-delivered a copy of it to your office.

On this letter, I am copying [Ms Alison Saunders, Director of Prosecution](#), and, for her information, [Chief Constable Susannah Fish](#), Nottinghamshire Police, because: like you, they have recently commented on hate crimes; although there is some overlap in my letters, I also focus on different aspects of my case.

Yours sincerely,

[See the (to be expected) [28.07.16](#) ‘get lost’ ‘**from**’ **Alison Saunders** – to which I have added my Comments.

After my very extensive experience, e.g. [summaries of my 50+ legitimate ‘cries for help’ and complaints – in vain](#) – I conclude that (typically) the men nominated her for ‘a response’ to this letter – to which she readily agreed...in order to add to her brownie points]
