Dear MS Dit-Rawe

Flat 3 - - Jefferson House  
Major Works

Contrast 'her' 15.07.02 letter demanding £736,200 (US\$882,000), and her 17.07.02 invoice demanding £14,400 (US\$25,400) from me - with her 21.12.01 letter - 6 MONTHS PREVIOUSLY: "We have to state that the sum quoted may be exceeded due to disbursements but these will be of a minor nature. Sufficient funds are held to cover the cost of the works within the Reserve Fund"

We recently wrote to you to remind you that payment in respect of the major building work was required by 16 September 2002.

We regret to note from our records that we have not received payment from you.

As other lessees have paid their contribution, and it is intended to start work during October, we have to require payment by return.

**LIAR:** London LVT # 8.12 ; West London County Court

We must inform you that if payment is not made now our client, Steel Services Limited, will have no alternative other than to instruct solicitors to commence legal proceedings to obtain payment. We trust this action will not be necessary and look forward to receiving your payment accordingly.

Yours sincerely
