As I reported under e.g. header 5.18, paras 166 and 191 of my 02.02.05 complaint against MRJ to the RICS, THIS MEETING WAS A SCAM 'Of course', the RICS DISMISSED my complaint - snapshot OVERVIEW Note 5

Dear Ms Hathaway,

**Invitation to 14 November meeting**

Thank you for your letter dated 7 November, posted 8 November, received 11 November in which you invite Jefferson House lessees to attend a meeting on Thursday 14 November at 11.00 am at the Basil Street Hotel.

As you state in your letter, at the pre-trial hearing on 29 October the lessees were encouraged to meet with yourselves and contractors to resolve issues/queries the lessees have in respect of the major works.

Given that the LVT has given the lessees until 26 November to formally communicate to the Tribunal "each item of the proposed work that is in dispute, stating fully the reasons for each disputed item", as well as our "information requirements", I consequently view this meeting as premature – and will not therefore attend.

Once everybody has had the chance to respond – as per the above – I will then be happy to meet to discuss i.e. after 26 November. This is in line with Point 2 of the directions sent by the Tribunal: "The applicants will send a response identifying those issues now agreed and those still in dispute to the respondents and a copy to the Tribunal by 17 December"

I trust that a meeting between 27 November and 15/16 December can be set with more than just a three-day notice.

Regards,

Noëlle Rawé
