- Reality: this rotten to the core, contemptuous and arrogant so-called 'regulatory body' had (with 'the brothers' in the Jewish-Freemason Brotherhood (**Persecution # 6**)) taken the decision to reject my legitimate **02.02.05** complaint - at the time it received it: **01.03.05**.
- The path to the final 'Get lost!' of **04.11.05** was preceded by others.
- 3 years later, it was followed by the RICS attempting to gag me

- For subsequent events, see **Overview # 10 & # 11**

Dear Ms Klosterkotter-Dit-Rowe

Re: Your complaint against Miss Joan Hathaway BSc MRICS

+ **Barrie Martin.**
Ohhh! but **he is 'a Fellow** of the RICS'; so, 'of course': best exclude him!

Of **05.05.05**

I write following your letter to the President's office for an update of your complaint. Since I wrote to you last, I have been in correspondence with both Miss Hathaway and Mr Martin.

Considering the evidence I supplied, and the outcome = a lie

More than 2 months previously: **01.03.05**

I have to inform you that the matter is progressing, however, it has been delayed of late due to Miss Hathaway's absence from the office. = For sure: a lie!

I would like to confirm that this department is taking your complaint very seriously. The volume of correspondence relating to your complaint has delayed the progression of your matter so it is a little early to expect a decision at this stage. He repeated this in his **10.06.05** letter

In view of this, I would appreciate it if you could give a short summary of the main issues to which your complaint relates. This would greatly speed up the process of resolving your complaint.

= Don't want to use the summary I supplied, because it unequivocally details Hathaway and Martin's numerous breaches of:
(1)- the RICS' so-called "Rules of Conduct"
(2)- the RICS Service Charge Residential Management Code.
- In my **02.06.05** reply, I pointed out that I had already supplied a summary

Yours sincerely

= Henchman of the Jewish-Freemason 'Brotherhood'

In the light of the psyche of the English Establishment (**My Diary # 2.5**), and the fact that the decision to reject my complaint had evidently already been taken, there was also **another motive** in making this 'request': add to **the criminal psychological harassment** (header 2)

(My letter was preceded by a 3rd chaser letter: **17.05.05** as, by the time I wrote it, I had not received this one)
