Dear Ms Klosterkotter-Dit-Rawe

Re: Your complaint about J Hathaway BSc MRICS and B Martin FRICS IRRV

Thank you for your letter of 14 October 2005, the contents of which I note.

I have to say I am quite dismayed by your letter as it appears that you have not taken on board any of the information I clarified to you in my letter of 10 June 2005. I am enclosing a further copy of that letter for the avoidance of doubt over the remit of RICS Professional Regulation. I do not intend to repeat that letter but will leave you to read and digest that information.

The arrogance and condescension!

= Turning a blind eye to criminal conduct

I am further dismayed to learn that it took you ten weeks to inform me that I had not included a copy of Martin Russell Jones' (MRJ's) reply. I apologise if this oversight occurred, however, I am at a loss to understand that as you had my telephone contact details, why you did not simply pick up the telephone.

Wrong! Read the 3rd paragraph of my 14.10.05 letter; = playing game to avoid addressing what I raised.

I am including a copy of MRJ's reply. I would like to make it clear that I am only seeking comments on this letter. I will not entertain any correspondence that brings new matters into the frame. I am of the opinion that there is an insufficient weight of evidence to place this matter before an RICS disciplinary committee currently. Should you be unable to provide corroborative evidence of a breach of the Rules, I will have no option other than to close the matter.

Heil Hitler!

See my comments, above

I look forward to hearing from you.

= Getting one more sadistic kick

Yours sincerely

Ha! ha! ha! ha! ha!

RICS Professional Regulation
and Consumer Protection

(1)- "insufficient weight of evidence" - Unbelievable!

(2)- "provide corroborative evidence of a breach of the Rules"

- Look at my summary; it identifies breaches galore!

(3)- "no other option but to close the matter"

- something they, with 'the brothers' (Persecution # 6) - in particular the corrupt judiciaries in West London County Court and Wandsworth County Court, and of course, the other 'brother' Andrew David Ladsky who wanted to hang on to his multi-million £ jackpot - had been wanting to do since receiving my complaint: the 01.03.05 letter.

So: everybody gets away scot-free!

Hooray for this island-Kingdom worse than Wild West environment! (My Diary # 2.5)
