

Flat

31st January 2001.

Dear Nielle

Thank you for the letter & note. Several residents rang to say that, after that letter they were quite clear that they did not want Ladday as their landlord.

Naturally, we do not have a total commitment at first stage to buy, just an implied intent. I am cautioning you in, therefore, and let us hope we get 's to be 50% so we can at least regroup and get advice on our position, with a two month breathing space. I will keep you posted. I am working

late and have no need of an alarm - I  
am getting 30 nuisance calls a day again  
only now he keeps the line open if I  
reply. As one resident said, the only  
question is, are we really prepared to have  
such a man as this as our landlord!  
It really does not bear thought. By the  
by, I have to spend more time in  
Cambs now to take care of my 84 yr old  
father, and I spend weeks here to continue  
my work for severely disabled children.

With kind regards & thanks -

will keep you in close touch,

(

PS: Enclosed is reply drafted for residents.
