Dear Ms Hathaway

As detailed under **Owners Identity # 1**, Hathaway = **Andrew David Ladsky** - gave (the extremely persistent, and highly dedicated) Ms Barlay, the run around e.g. the **07.11.01** letter 'from' Hathaway claiming to "**not have the names and addresses of the directors and secretary of either the headlease or the freeholders**" = **TYPICAL** conduct for these crooks who perceive themselves to be above the law of the land - because the British State TELLS them that they are!

BOTH: 'glorious' examples of individuals claimed to be "regulated" by the Royal Institution of Chartered Surveyors (RICS) = another mafia!
