Dear Ms Rawe,

Please see the advice from my legal department below.

As you are aware the information I have that contradicts CKFT comes from you. Given the problems you are having with Mr Ladsky I thought I should check with you before following this course of action.

Regards,

Sandy McDougall

Dear Sandy

I thought i'd better put my reply to your memo of 5.11.02, received 7.11.02, writing.

As you have 2 apparently contradictory statements regarding the status of Steel Services Ltd, namely i) they have been struck off the register for non-payment of the licence fee; and ii) a certificate of good standing - I recommend that you try and clarify the position. It is possible that the company was struck off but was subsequently reinstated on payment of the relevant fee.

|| yes! (A)

I would expect that Steel Services Ltd's solicitors, CKFT, would be happy to clarify the situation on receipt of a written request from yourself.

Yours

(A) And everything is fine now??
A firm of surveyors and solicitors claim to be acting for a company that does not exist - threatening proceedings, demanding and receiving money on its behalf - and no problem!!!
