Dear Sir,

Steel Services Limited -v- Rawe (2nd Defendant) and Others

We refer to the above and as you know from speaking with our counsel Mr David Pliener we are now acting for Miss Rawe.

(A)

We have also seen your letter to her of the 31st July. We enclose a copy of the letter that we have today sent to Miss Rawe following our recent attendance at the West London County Court. The reason we send this to you is because you will see that there is a direction in respect of the exchange of expert's reports and we would be grateful if you could please note this date in your diary as well as the trial window period which is between February and March of next year as stated in numbered paragraph 10.

To enable us to assist Miss Rawe further and in an effort to minimise the costs that she pays in respect of this action perhaps you could confirm exactly what is required from CKFT and or Martin Russell Jones and or Steel Services Limited to enable us to quantify the amounts due and thereafter make settlement.

Yours faithfully

Not only did Ms Mclean
had a copy of the
17 June 03 LVT
Report, pre the
26 Aug 03 West
London County Ckt
hearing I had also
given her a copy
of Mr Brock (my
surveyor) assessment
of the LVT report.
Yet, in her other letter
(Also of 1 Sep 03) she
states uncertainly as to
my ability to claim
costs!!!
