Dear Noelle,

Steel Services Limited –v- Yourself

Thank you for your letter of 12 October with enclosed cheque in the sum of £1,500.00 on account of costs, receipt of which I acknowledge.

I note the letter sent to Miss McGrath and await the reply. I note also that you have asked MRJ for the year end 2002 accounts and again, I await the reply.

In respect of the S.20c application this has now been agreed and as far as the costs incurred in the LVT arising out of the landlords application is concerned, that matter is now over. Which court do you say must take your S.20c points into consideration? The County Court will not as it is not a matter for them and it has been determined, by agreement in the LVT.

A

I refer to witness statements in the event that there is anyone, apart from yourself, who can give evidence on your behalf in respect of the issues in this case. If there is no one else then so be it. I look forward to receiving your draft statement.

I feel it may well be necessary to extend the timetable. I will be out of the office from 3 November to 14 November inclusive. I have put in a call to CFT to see if this can be agreed and will get back to you as soon as we have spoken.

I have attached a copy of David Pliener's curriculum vitae. I do not think it is appropriate for me to give you such details of David Pliener that you seek.

When we request from CKFT copies of documents that appear on their list that do not appear on our list you have to pay the photocopying charges for them providing us with those copy documents. The same applies to them when they request documents from us.

I have amended my attendance note of 30 September. It clearly was an error.

Yours sincerely
