Dear Noelle,

Steel Services Limited –v- Yourself

Thank you for your letter of 19 October 2003.

I confirm that I have made payment of Mr Staddon's fees and as soon as I have a receipted fee sheet I shall let you have a copy.

I acknowledge receipt of your draft Witness Statement and, as discussed, my strong advice would be that we must see Counsel prior to the exchange of Witness Statements for a detailed conference, together with Mr Brock to go over all the issues in this case. Dealing with Witness Statement, I enclose a copy of the fax letter dated 21 October 2003 received from CKFT together with a copy of my reply. I have, as discussed, contacted the Clerk to Mr Stan Gallagher of Arden Chambers and, hopefully, by the time you receive this letter I will have spoken to him and arranged a date for a conference in the course of next week.

Whilst you have kindly let me have a cheque in the sum of £528.75 for Mr Staddon's fees, the previous fees in the sum of £881.25 are still outstanding and I would be grateful if you could let me have a cheque in that respect also. A further copy of his fee sheet is enclosed for your information.

Yours sincerely

(A) Interesting that she talks about ~~my~~ witness statement and the offer in the same sentence!

P.S. Since dictating the above we have spoken and I have confirmed that a conference has been booked with Stanley Gallagher for the 28th October at 2pm. I enclose copy letters to sent to them in respect of procedural matters and also in relation to the Part 36 offer. I look forward to seeing you on the 28th October.
