Subject: Steel Service **fraudulent 29 Nov 02 claim**

I attach the acceptance and the draft order NB though a matter for my solicitors, I do not think that it would be right not to include the reference in [] to the major works in the letter of acceptance

Presumably this ought to be served by 4.00pm today **LIAR!**

I am sorry for the delay - I could not put of a telecon on another matter

Please call if any questions

(*) Oxford dictionary definition of vermin: "Very unpleasant and destructive people"

 What happened next is that, because the reply was not what had been agreed, **the other corrupt vermin (*) Richard Twyman**, sent me this **13.11.03-15h53** email informing me that **he was sending the reply to Ladsky's solicitors "in the next 10 minutes"**
 ...thereby **giving me no time to look at the documents - I had never seen - and, bearing in mind that I was at work.**
