This letter is in response to your original letter dated 13th March.

Since that time I have been unable to meet with you. You were unfortunately unable to keep the meeting that we arranged at Chelsea Police Station. And you have not responded to either of the messages that were left on the answering machine for you, either at home or at work. (A)

I am writing to confirm that at this time your original letter has not been recorded as a complaint, because I have been unable to establish if you wish to substantiate your original letter. (A)

If you wish to discuss the matter further or clarify a point already made, I can be contacted on the above numbers.

Yours sincerely

Paul Kirby
A/Inspector

(A) As detailed in my 5 May 02 letter to Sir Toby HARRIS, given events with Kensington & Chelsea Police, I felt very uneasy talking to them. And subsequent events have proven me right - See letters 27 Jan 03 and 6 Feb 03 from Neil Watson PC206 BS, Crime Investigator And my 11 Feb 03 reply to which I never received a response.
