**23** December 2009

Dear Ms Klosterkotter-Dit-Rawe,

Thank you for your letter of 28 November and 2 December to the Home Secretary and **Sir Paul Stephenson** about your police complaint. Your letter has been passed to the Direct Communications Unit and I have been asked to reply.

In writing to Sir Paul Stephenson you have taken the right course of action. It is the **Chief Officer** who is responsible for the day to day operational management of the force and not the Home Office.

The **Home Office** and its Ministers are not able to act as an avenue of appeal, and **have no power to influence or intervene in any investigations.**

Yours sincerely,

  
**Miss A Lean**

= Another typical 'GET LOST!' from the mafia... as the Home Secretary HAS responsibility for ensuring that the police performs as per its legal remit: **Kensington & Chelsea police # 5.2**

The 'reply' to my letters from Paul Stephenson was a **03.12.09** letter, followed by a **08.12.09** letter (posted on 16 Dec) from the Directorate of Professional Standards - that **then ignored** my **28.12.09** reply

= **A blatant objective of adding to the criminal psychological harassment** (Persecution # 1). It led me to write a **02.02.10** letter to Stephenson et.al.

- **ALL of them - all the way up to the executive** (My Diary # 2.6) are thoroughly evil, corrupt to the core, extremely cruel, vicious, sadistic, perverse monsters
