Hi the above site contains some inappropriate use of the words "pigs and monkeys" which are racially abusive terms towards Jewish people from the Nazi's.

This is directed at a particular person. I am the police officer dealing with this crime. I would therefore be grateful if this site could be taken down.

If there are any enquiries please contact me on 0044 208 2460226

I am with the Metropolitan Police based at Notting Hill Police Station in the Community Safety Unit.

Many thanks

It is the policy of the MPS that:

It is the policy of the MPS that:

MPS personnel (or agents working on behalf of the MPS) must not use MPS systems to author, transmit or store documents such as electronic mail (e-mail) messages or attachments:

- * containing racist, homophobic, sexist, defamatory, offensive, illegal or otherwise inappropriate material;
- * containing material requiring a protective marking higher than RESTRICTED, (and not higher than NOT PROTECTIVELY MARKED across the internet) without the use of approved encryption;
- * containing personal data for use other than in accordance with the notification(s) under the [Data Protection Act, 1998](#) of the system(s) from which the data originates.

* This Email message has been scanned for viruses and contents.

NOTE: This, like the other email of [20.03.07](#) (which also contains my Comments) was supplied to me by my website Host, HostDime.

The events are reported in detail under **section 3** of the page on [Kensington, Chelsea & Notting Hill police](#).

This and the [20.03.07](#) email were sent to my website Host – *once* the police had ‘very conveniently’ processed [the MALICIOUS 2007 so-called “crime report” against me](#) – which, by then, I had not seen ([Overview # 13](#)).

Note that, prior to getting his police henchmen to send the emails to my website Host, [Rachman Andrew David Ladsky](#) and his racketeer solicitor, [Jeremy Hershkorn, Portner and Jaskel](#), had desperately been trying – in vain - to scare my website Host into closing down my website ([Overview # 9](#)).

Did [TDC Simon J Dowling](#) have that dictated to him over the phone? (It should be: 'anti-Semitic')

(Re. 'TDC', see below, my Comments after 'his' sentence: "*I am the police officer dealing with this crime*".

<http://www.leasehold-outrage.com/>

Hi the above site contains some inappropriate use of the words "pigs and monkeys" which are racially abusive terms towards Jewish people from the Nazi's.

(In addition to noting the "*Hi*"):

'[Dowling](#)' = the [Jewish-Freemason mafia \(Persecution # 6\)](#) does NOT provide ANY evidence in support of 'his' accusations – because it does NOT exist.

Of course, the source was [Rachman vermin \(*\) Andrew David Ladsky \(*\)](#) I repeat my Comments under [Persecution \(1\)\(4\)](#)

In fact, as I discovered 2 years later, the [16/03/2007-18h56 entry in the so-called "crime report"](#) reads:

"I have spoken to Mr [Ladsky](#) and he has informed me that the mention of Pigs and Monkeys relate to the words the Nazi's used referring to Jewish people during the holocaust.

This is obviously very offensive, Mr [Ladsky](#) is Jewish () and believes this is what the suspect is referring to".*

And the [16/07/2007-19h07](#) entry:

"Mr [Ladsky](#) states that Ms Rawé is Franco-German and is well aware his is Jewish".

(NB: Information that '[Dowling](#)' used in 'his' subsequent email of [20.03.07](#) to further reinforce 'his' outrageous accusation of "*my being a Nazi*")

[Vermin Ladsky](#) knew damn well that the accusation was NOT true...which is why [his ever-obliging henchmen in the police](#) could NOT provide ANY supporting evidence.

This is a TYPICAL response from white-collar criminal 'Jews' like [Andrew David Ladsky and his gang of racketeers](#) when you – as their victim ([Case summary](#)) - 'dare' challenge

their criminal activities: they go on the attack by portraying themselves as 'your victims' – concurrently pulling out the Holocaust card.

What it *does* demonstrate is that **this vermin (*) has no qualms trading on the soul of dead people when his fraudulent activities and Rachman method of operating are exposed** e.g. [Extortion](#). (*) I repeat my Comments under [Persecution 1\(4\)](#)

(*) In name, but definitely NOT in practice as he - [like the rest of his 'Jewish' gang of racketeers](#) - evidently perceive themselves as being exempt from compliance with some of the 10 Commandments, or 'fundamental laws of the Jews', namely those which prohibit: theft, false testimony and coveting others' goods ([Extortion](#)).

As to **Ladsky being "Jewish"** - As I wrote under **para.25** of my [29.08.11](#) Metropolitan Police Service Witness Statement:

"I did not know that Ladsky said to be Jewish until the police's e-mails of 16.03.07 and [20.03.07](#) to my website Host. This entry is intended to add weight to the fictional story that I am an anti-Semite".

How was I meant to know he said to be 'Jewish'?

(By the way: **I am 'such an Anti-Semite' that I HAD A JEWISH DOCTOR FOR 37 YEARS**...until he decided to side against me, with my then employer, [KPMG](#))

As I wrote in [My Diary, by early 2006](#), I had become very angry at being dogged, hounded, harassed and persecuted - ON A DAILY BASIS - as well as being physically threatened ([Persecution](#)) - and **started to use the words 'pigs and monkeys' in my online Diary to refer to the scum and thugs who are doing this to me...**

- ...'pigs' being the recognised, derogatory term for police officers – a police I had by then, not surprisingly in the light of my experience ([in 2002 and 2003](#)), lost all respect for.
- 'monkeys', to refer to the rest = the (officially) non-police-related scum = [the Andrew David Ladsky mafia's 'dogs'](#) as I subsequently began to refer to them (the verb 'to dog': to follow somebody).

Pre filing my [19.04.11 Claim](#) against the police et.al. in the [Queen's Bench Division](#), in my documents demanding the end of the processing of the false, highly vicious, malicious accusations against me in the so-called "*crime reports*",...

...I repeatedly challenged the false, defamatory accusation, and also commented on the fact that the police was branding me "**a Nazi**" – "**because of my franco-german (sic) origin**" (follow-on email of [20.03.07](#)) - e.g.

- **pgs 3, 31 and 36** of my [13.08.09](#) letter to the Metropolitan police Public Access Office;
- **pg 52** of the [supporting document](#) to my [02.06.10 s.10 Notice](#) to the [then Chief Superintendent Mark Heath, Kensington, Chelsea & Notting Hill police](#).

Post filing my Claim:

- **paras 49, 50, 52, 55, 77 and 120** of my [19.07.11](#) MPS Witness Statement, asking, under **para.77** re. "**and believes**" (as Ladsky's name was blocked out in the [July 09 version](#)), "**why**

the police had not asked me";

- para.24 of my [29.08.11](#) MPS Wit.Stat., stating: "*It is another example of the police accepting [Ladsky's](#) accusations at face value, without any challenge whatsoever*";
- para.72(1), (2), (3)(ii)(v) and 85 of my [17.10.11](#) Request for appeal against [Her Majesty's Master Eyre's](#) PACK OF LIES [09.08.11](#) Order striking out my Claim against the police.

See [Queen's Bench # 4\(6\)](#) (also below [police Key Point # 6\(3\)](#)) – for the fact that, during the 29 July 11 Application 'hearing', [Her Majesty's Master Eyre](#) attempted to create the 'evidence' in support of the FALSE accusation.

Having failed, he nonetheless REPEATED it in 'his' (= [Jewish-Freemason mafia \(Persecution # 6\)](#) [09.08.11](#) PACK OF LIES Order and, in the process, ENDORSED IT.

(I may be wrong, but I suspect that Master Eyre is Jewish, like Ladsky). (It seems to me that the English legal sector is dominated by Jews... all the way up to the President of the Supreme Court: [Lord Neuberger](#)) (at least in 2012-13).

"WELCOME [TO EXTREMELY SICK] BENT BRITAIN!"

If you require more evidence of how REALLY, REALLY SICK AND CORRUPT the English police also is:

- [TDC Simon J Dowling - 19/03/2007-17h59 entry](#): "*Victim advised re. civil procedures defamation of character*".

This is hilarious...well, unless you happen to be the party against whom 'the advice' is given - as the police had "*looked at my website*": [16/03/2007-18h56 entry](#) – on which, **at the time, I had placed – and discussed letters** – [Ladsky](#) had asked [his racketeer solicitor, Lanny Silverstone, CKFT](#), to send, threatening...er, yep: **defamation proceedings!**

- a [28.11.02](#) letter to me, and a [28.11.02](#) letter to my then employer, [KPMG](#);
 - a [04.02.03](#) letter to me ([police section 2](#))
- **However - considering the unbelievably damning evidence against [Andrew David Ladsky and his gang of racketeers: Extortion ; Case summary](#)...**

...the ones that really top the list for the English police's corruption, and its total lack of sense of the ridicule – award that also goes to the [Queen's Bench Division's judiciary](#) who endorsed them ([Overview # 18](#)) – are:

[15/03/2007-16h14-'Primary Investigation Details:4: "VICTIM \[i.e. \[Ladsky\]\(#\)\] CONSIDERS HIMSELF INTIMIDATED'...](#)

...an assertion that is repeated under the '[Victim Details](#)' section':
"**VULNERABLE / INTIMIDATED VICTIM: YES**"

As I wrote under:

- para.21 of my [29.08.11](#) MPS Witness Statement;
- para.11(2) of my [17.10.11](#) Request to appeal against [Eyre's](#) PACK OF LIES [09.08.11](#)

MPS Order:

“This claim is hilarious considering what Ladsky has done and instigated against me (and fellow leaseholders) since 2002 [Case summary]”.

Under the former, I wrote:

“Clearly, it was blocked to prevent me from challenging it: its aim is to add weight to the fictional story that ‘poor Mr Ladsky’ is an innocent victim”.

HOW UNBELIEVABLY SICK IS THAT MAFIA TO DESCRIBE LADSKY AS “MY VICTIM”!!!

(See below, re. “officer dealing with this crime”, for another ‘gem’ from the English police mafia).

This is directed at a particular person.

See above re. “that particular person” = vermin Andrew David Ladsky

It was too much of a coincidence that somebody in my borough had made this 'complaint' to my local police. *It had to be Ladsky.* (Note, as stated earlier, contrary to Ladsky's assertion, I did NOT know he said to be 'Jewish').

The probability that it was him was confirmed when he made the same false, malicious, vicious, scurrilous accusations (among many others) – 10 days later – in his 26.03.07 letter to my then employer, KPMG (although, as explained in my Comments on the letter, KPMG did NOT provide me with a copy of his (heavily redacted) letter until 7 months later, in Oct 07).

I am the police officer dealing with this crime.

(1)- LIE! Downing was NOT “a police officer”.

In his signature, ‘TDC’: according to **para.12** of the Met Commissioner’s 30.06.11 Application to have my Claim struck out (Queen’s Bench # 4(3)) – ‘TDC’ stands for ‘**Trainee Detective Constable**’.

As I wrote on **pgs 4 & 5** of my 02.02.10 letter to the then Met Commissioner, Sir Paul Stephenson (et.al.), I conclude from this that **Dowling impersonated a police officer** – adding **“while the role of a Community Support Officer is evidently not standard, I am sure that it does include “investigating a crime”.**

In fact, looking at the Police Reform Act 2002: s.38A- 'Standards powers and duties of community support officers' ; Schedule 4-‘Powers exercisable by police civilians’, Part 1- ‘Community support officers’ (which expands on s.38), and Schedule 5...

...- it is abundantly clear that the statutory functions of a 'Community Support Officer' **do NOT** include those of a (bent) investigating officer.

The other ‘gem’ from the English police mafia:

Under **paras 9 and 38** of his '23.05.11' Defence (QB # 4(2)), the then Met Commissioner, Sir Paul Stephenson, wrote:

"As part of **[the police's]** investigations, **Dowling** made inquiries to [my] website host.

He indicated the nature of the allegations he was investigating, but did not suggest that [I] was guilty of the alleged conduct"

Stephenson repeated this under **para.12** of his **30.06.11** Application to have my **19.04.11 Claim** struck out (**QB # 4(3)**):

"[the] e-mails were sent in the ordinary course of an investigation into complaints made against the Claimant.

They made no accusations against the Claimant."

How about that for the police having no sense of the ridicule, and treating members of the public (i.e. its employers, the taxpayers) as complete imbeciles?

(LYING through its teeth in order to cover up its illegal actions, its failings, etc. is a trademark of the English police (like that of the rest of the English Establishment) e.g. [media page](#))

(2)- 'Dowling' accuses me of having committed a crime WITHOUT providing a shred of evidence in support.

See how 'he' backed down in 'his' **20.03.07** email as a result of being challenged by my website Host who asked: "**Are you aware that there are laws against making false accusations?"**

NOTE also that, in addition to positioning himself FALSELY as "a police officer", **the corrupt vermin, TDC Simon J Dowling, also fancied himself as 'a psychiatrist':**

16/03/2007-18h56 entry:

"Looking at the website it seems the suspect thinks she is being followed by either the police or Mr Ladsky.

This is not the case and she is obviously extremely paranoid"

16/03/2007-18h56 entry:

"I believe she may have some mental issues so will be speaking to social services to see if they are aware of her" (*)

(*) This is the TYPICAL English Establishment tactic for dealing with 'inconvenient' 'little people' like me who 'dare' rock the boat – see e.g. [Persecution \(1\)\(1\)](#)

And, Dowling's mate, **PC K O'Brien, also fancied himself as a 'psychiatrist': 15/03/07-16h14 entry:**

"...[the website] appears to be becoming quite paranoid.

She thinks the police may be following her as well as numerous people employed by her enemies"

These are LIBELLOUS, MALICIOUS AND SCURRILOUS expressions of opinions about my mental health.

As can be seen from [Persecution # 2 & # 3](#), by Mar 07, I already had **UNDENIABLE EVIDENCE** that I was being hounded, harassed and persecuted by [Ladsky's scum](#) and his henchmen in the British State...

...for no other reason than the fact that I 'dare' to stand-up against them and their organised crime activities ([Case summary](#)).

I captured a significant part of the evidence contained under [Persecution](#) in my [19.07.11 Witness Statement](#) to [Theresa May, Home Secretary](#) – of course: to no avail!

(Note also [the media reports](#) on many other individuals being under surveillance by the police and related – as well as other surveillance activities by this 'Stasi' state ([Persecution # 4](#))).

LOOKS TO YOU AS THOUGH "[I AM] PARANOID"? (Only the [Jewish-Freemason mafia](#) ([Persecution # 6](#)) and its henchmen and flunkies would still answer 'yes' to this question).

I submit that those who "suffer from [very serious] mental issues" and should be "reported to social services" – as a matter of urgency - are glaringly obvious.

I covered this libellous, malicious, scurrilous accusation in my documents:

Pre-filing my [19.04.11](#) Claim in the [Queen's Bench Division](#) against the Met Commissioner – et.al.:

- pgs 30-33 of my [13.08.09](#) letter to the Met's Public Access office, asking:

"On what basis do [PC K O'Brien and TDC Simon J Dowling](#) consider themselves entitled to make 'this assessment' about me, as well as deny my assertion?";

- pgs 15 and 33 of my [20.09.09](#) letter to the same recipient;

- pgs 51, 56 and 57 of the [supporting document](#) to my [02.06.10 s.10 Notice](#) to [the then Chief Superintendent, Mark Heath](#) – stating:

"It is a despicable, sickening, morally depraved attack on my reputation". "What was the 'reward' to [PC K O'Brien and TDC Simon Dowling](#) for capturing this in the report?"

Post-filing my Claim:

- paras 72 and 73 of my [19.07.11](#) MPS Witness Statement;

- para.73(1) of my [17.10.11](#) Request for oral hearing to appeal against [Her Majesty's Master Eyre's](#) PACK OF LIES [09.08.11](#) Order striking out my Claim against the police - highlighting the evidence I have in support of my position and, under [para.74](#), that the police was giving access to this false, malicious data to numerous parties.

= [TDC Simon J. Dowling](#) and [PC K O'Brien](#), and others in [Kensington, Chelsea & Notting Hill police](#) (added to many others involved in my case e.g. [Queen's Bench Division # 6.1](#)) - **endorse the conclusion** 50 years after [Stanley Milgram's obedience experiment](#) that:

"people follow leaders because they see them as representative of an identity that they share;

they don't inflict harm because they are unaware of doing wrong but because they believe what they are doing is right"

(From: "[Stanley Milgram taught us we have more to fear from zealots than zombies](#)", The Guardian, 1 Sep 11)

I would therefore be grateful if this site could be taken down.

WHERE IS THE EVIDENCE IN SUPPORT? (That mafia is acting as though American people are still controlled by the British Empire).

The objective of 'the brothers' [Andrew David Ladsky](#) et.al. in the [Jewish-Freemason mafia \(Persecution # 6\)](#) to get my website closed down by ANY means is also confirmed in the "crime report":

[TDC Simon J Dowling – 19/03/2007-17h59](#): "I am still trying to get the website closed down"

I cited this entry as additional proof that the **glaringly obvious objective of the highly VICIOUS, MALICIOUS, LIBELLOUS, RACIST, XENOPHOBIC emails** (including the [20.03.07](#) email) to my website Host - that also brand me "a Nazi" - was to scare my Host into closing down my website:

Pre-filing my [19.04.11](#) Claim:

- pg 35 of my [13.08.09](#) letter to the Met's Public Access office;
- pg 17 of my [20.09.09](#) letter to the same recipient;
- pg 64 of the [supporting document](#) to my [02.06.10 s.10 Notice](#) to the then Chief Superintendent, Mark Heath.

Post filing my Claim:

- para.56 of my [19.07.11](#) MPS Witness Statement;
- para.75 of my [17.10.11](#) Appeal Request.

[TDC Simon J Dowling - 16/03/2007-18h56 entry](#)

"Mr [Ladsky](#) wants her to stop and take the site down"

Really? I wonder why.

'And his wishes are our command...also because [the website](#) provides very damning evidence of corruption by many parties in the public sector – including in [the police](#) - as well as private sector, in the professions.'

We will – of course – CONTINUE to turn a blind eye to our '[Dear Mr Ladsky's very extensive white-collar crime activities \(Extortion\)](#), as we and 'the brothers' ([Persecution # 6](#)) absolutely approve of them...

...and that is why we say that: "[Dear Mr [Ladsky](#)] is [the poor] vulnerable [Jewish] victim who feels intimidated by the Nazi Noëlle Klosterkotter-Dit-Rawé"

It is the policy of the MPS that:

MPS personnel (or agents working on behalf of the MPS) **must not use MPS systems to author, transmit or store documents such as electronic mail** (e-mail) messages or attachments:

* **containing racist, homophobic, sexist, defamatory, offensive, illegal** or otherwise inappropriate material;

Evidently, 'Dowling' considered himself at liberty to ignore this policy,...

...in the same way that 'he' evidently considered himself at liberty to ignore: **(i) the Malicious Communications Act 1988 ; (ii) the Defamation Act 1996 ; (iii) the requirements of the Data Protection Act 1998...**

...not to mention s.127 of the Communications Act 2003 ('Improper use of public electronic communications network'); the **Code of Conduct** comprised under in the Police (Conduct) Regulations 2004 (that applied in March 2007) ; the Home Office Guidance.

WHY? Because as very amply demonstrated by my experience, including the above, they KNOW they have NO NEED to fear ANY kind of sanction.

Hence, the above so-called 'reminders' on the email are **just for decoration - and 'the law enforcer', the English police, very clearly perceives itself to be above the law of the land...**

...like ALL its protégés in the Jewish-Freemason mafia (Persecution # 6) e.g. Andrew David Ladsky and his gang of racketeers (Case summary).

* **containing personal data for use other than in accordance with the notification(s) under the Data Protection Act, 1998** of the system(s) from which the data originates.

* containing material requiring a protective marking higher than RESTRICTED, (and not higher than NOT PROTECTIVELY MARKED across the internet) without the use of approved encryption;

REMEMBER the ROOT CAUSE for what took place / failed to take place – and CONTINUES to take place / fail to take place:

A thoroughly evil, cruel, greed-ridden, vampiric, sadistic, Rachman (*) crook, Andrew David Ladsky – deciding he was 'entitled' to make a multi-million £ jackpot - through extortion, persecution, etc. - at my expense (and that of my fellow leaseholders)...

...to which everyone in that army of henchmen

([Case summary](#)) – said:

Yes, of course! O' Great One!

(*) Dictionary definition: “*Rachmanism: The exploitation and intimidation of tenants by unscrupulous landlords; 1960’s after the notorious landlord [Peter Rachman](#)*”
