- An "investigation" that revealed very damning evidence - and consequently to my being (typically) told to 'get lost!'
- But: I did not give up: my **07.03.06** letter to the ICAEW

Dear Ms N K-Dit-Rawé

Re: Complaint against Pridie Brewster

According to my records I have not received a response to my letter dated 6 September 2005 or my chasing letter dated 22 September 2005.

In these circumstances I have reviewed the file and have now closed the investigation.

I would like to take this opportunity to thank you for the time that you have taken in drawing this matter to our attention.

Best described, colloquially, as amounting to 'taking the piss!'

Yours sincerely

Jim Vessey ACA
