Dear Sirs

**Suggestion: 'RICS Surveyor of the Year Award' for your member, [Joan Hathaway, MRICS, Martin Russell Jones \(MRJ\)](#)**

As:

- in your [4 November 2005](#) 'reply' you dismissed my (legitimate) [2 February 2005](#) complaint against your members, Joan Hathaway, MRICS, and Barrie Martin, FRICS, of Martin Russell Jones;
- following your empty [threat of proceedings for defamation](#), in your [21 August 2008](#) letter you were of the view that Martin Russell Jones would "*No doubt [be justified] in also taking legal proceedings [against me for libel]*"...

...– I am copying you on the following documents which, in light of your '[regulatory performance](#)', I am sure you will agree justify considering Joan Hathaway, MRICS, for an 'RICS Surveyor of the Year Award':

1. [9 July 2010](#) £24,000 - unsupported - 'invoice' 'from' MRJ
2. My [15 July 2010](#) reply
3. [1 November 2010](#) 'invoice' 'from' Joan Hathaway
4. My [17 November 2010](#) reply to Hathaway
5. My latest letter of [16 December 2010](#) to Hathaway.

These documents are yours to do as you wish.

As you can see from my 16 December letter to Joan Hathaway, I have informed her that I was contacting you to make the suggestion. (I did warn her that, considering the conduct of other of her tribe members, she would be facing tough competition for the title)

Yours aiming to be helpful.
