Having had their sadistic kicks from adding to the criminal psychological harassment (Persecution # 1)

- **on the same day** - the monsters sent a **03.05.07** Notice to **Portner and Jaskel** that **the hearing was postponed to 24 Aug 07 =** by more than 3 months

- **Demonstrating the double-act between the Ladsky-WLCC mafia: 04.05.07** letter from **Jeremy Hershkorn, Portner**

Dear Madam / Sir

It gave me just 2 days to do it - as it was deliberately posted more than one week later.

While dated **19 April 2007**, the attached 'General Form of Judgment or Order' was only posted more than one week later, on 27 April, and received on Saturday 28 April.

It requires that a Skeleton Argument be delivered to your court by 16h00 on Thursday 3 May.

To meet this deadline, would require posting the document on Wednesday 2 May. Consequently, leaving only two days to produce the document.

I am unable to produce this document within this deadline.

Consequently, I wish to have an extension.

I have tried phoning you this morning, but in vain.

You can contact me at the above number.

Thank you.

Best regards

Noëlle Rawé
