**4 months later**, the evil monsters were **still** ignoring my request: my **28.10.07** nth chaser letter...  
...because their game plan was to add to add to the criminal psychological harassment (**Persecution # 1**)-  
see the **WLCC summaries** - and **Doc library # 1.6 & # 1.7**

Dear Madam / Sir

**Correction to your 3 April 2007 Order** Shld be 'notice'

In your Order, dated 3 April 2007 (attached <sup>1</sup>), you captured:

*"The Defendant responded to the claim indicating an intention to defend part of the claim"*

This is absolutely **not** the case – as can be seen from the copy of my Acknowledgment of Service, dated 22 March 2007 (attached <sup>2</sup>) on which:

- I selected, by means of a large cross, the third option "I intend to contest jurisdiction"
- In the fourth box at the top of the form, I underlined in red "wish to contest the court's jurisdiction"

As is very glaringly obvious, this was done deliberately... and there was **A LOT more to come from these evil monsters**

Please, make the necessary correction and supply me with an amended version of the Order by sending it at the above address.

Thank you.

I also enclose my 30 June 2007 letter to Portner and Jaskel, and four supporting enclosures <sup>3</sup> (#1, #2, #5 and #6). You will see that it concerns my requests for critical information in relation to the claim it filed against me that have been outstanding for more than four months, as well as a copy of its skeleton argument.

Yours faithfully

N K-Dit-Rawé
