= Continuing with the infantile game - because 'I was daring' to stand up to **that mafia**. They kept this game up as they dished out 21 months of absolute sheer utter hell on me...`
...-making them thoroughly evil monsters, vermin.

In the WEST LONDON County Court	
Claim Number	7WL00675
Claimant (including ref.)	Roostock Overseas Corp JHESVM232082
Defendant (including ref.)	Noelle Yvonne Slyvie Klosterotter-Dit-Rawe
Date	04 September 2007

A solicitor / barrister who was a corrupt, evil monster = a perfect fit with the Andrew David Ladsky - Portner and Jaskel and WLCC mafia
For events: WLCC # 11

Before **DEPUTY DISTRICT JUDGE MCGOVERN** sitting at West London County Court, West London Courthouse, 181 Talgarth Road, Hammersmith, London, W6 8DN.

Upon hearing Counsel for the Claimant and the Defendant in person

IT IS ORDERED THAT

1. **Application dismissed.**
2. **Defence & Counterclaim** to be filed by **14 September 2007**
3. **Defendant pay claimant's costs of today assessed at £293.70 by 7 September 2007.**

Dated 24 August 2007

- It was a trap, and I fell right into it!
 It led the WLCC mafia to send me a **27.09.07** letter masquerading as an 'order'...
 ...demanding that I pay "**£1,700 to file [my non-existent] counterclaim**"
 -The double-act mafia of Ladsky-Portner and WLCC 'did not like' my **02.10.07** letter,...
 ...as both sides into silent mode for more than **3 months**, in spite of my chaser letters

As per CPR requirements, ahead of the so-called 'hearing', I had sent a **22.08.07** detail of my costs (although I had detailed all my costs from the time the **fraudulent claim** was filed against me - instead of just for that so-called 'hearing').
Unlike me, Portner had (yet again) **breached CPR requirements by failing to send its costs.**
But, no problem!
 During the so-called 'hearing' **the Ladsky mafia lapdog and accomplice McGovern**, not only turned a blind eye to the breach of CPR, he **helped Ladsky's barrister, Greg Williams determine how much 'I should pay'**
- and followed this by a sarcastic and outrageous comment: WLCC # 11.

So: still the same West London County as in 2002-04
Yep! Definitely part of Her Majesty's kangaroo courts!
