(Defendant)

28 October 2007

Of course, the monsters continued to ignore my request, leading me to file a **13.11.07** complaint with HMCS, that resulted in the predictable 'Get lost!' response: **WLCC # 18 ; Doc library # 1.7**

(By 'Recorded Delivery')

Ref: West London County Court claim, **7WL 00675**, dated 27 February 2007

And it was not the only thing about which the monsters were silent: my **28.10.07** letter

Dear Madam / Sir

Should be 'notice'

**Amended 3 April 2007 Order still outstanding**

In my 30 June 2007 letter, I asked your court for an amended version of your 3 April 2007 Order as the information captured is incorrect. It states "*The defendant responded to the claim indicating an intention to defend part of the claim*" - instead of what I wrote: I "*intend to contest jurisdiction*"

Since then, I have reiterated this request on:

- 12 August 2007
- 14 October 2007

In spite of these, to date **I still have not received an amended version of the Order.**

I therefore conclude that your court is holding information on me that it is inaccurate. Among others, this is a breach of my rights under the Data Protection Act 1998.

Consequently, I again ask that you please supply me with an amended version of this Order.

Thank you

Yours faithfully

**So, the same West London County Court as in 2002-04.  
Yep! Definitely part of Her Majesty's kangaroo courts!**
