This is **absolutely OUTRAGEOUS**.
 At the 29 Oct 02 pre-trial hearing in the London tribunal, it told leaseholders to **NOT pay** the demand (Daejan case).
 The tribunal signed its report on **17 Jun 03**.
 When corrupt solicitor Lanny Silverstone, CKFT, (who filed, on behalf of Andrew David Ladsky, the **29.11.02** claim against this leaseholder (as well as myself + 9 others)) asked the tribunal to state how much I owed, in its **21.07.03** reply it made it very clear (that obviously) the global sum on which the demands were based HAD to be *the same for everybody*.

BUT, count on Her Majesty's corrupt judiciary in West London County Court to help 'the brother' (Persecution # 6) Ladsky and his gang of racketeers extort as much money as they could so that he could realise a multi-million jackpot!

YEP! DEFINITELY PART OF HER MAJESTY'S KANGAROO COURTS!
