County Court Of West London  
DX 97550  
WEST KENSINGTON 2

(A) 23 May 2002

Dear Sirs

**CRIMINAL VERMIN!** It was BEFORE the London LVT's 17.06.03 report = **THEFT** (see EXTORTION)...  
...with the very active assistance of Her Majesty's corrupt judiciary in West London County Court determined to help 'the brother' (Persecution # 6) Andrew David Ladsky and his gang of racketeers extort as much money as they could from the **29.11.02** claim, so that he could realise...  
...his multi-million £ jackpot.

As you are aware we are solicitors for the Claimant. The Claimant has obtained Judgment or settled proceedings against all Defendants, except the following:

3. 5<sup>th</sup> Defendant - [REDACTED]
4. 7<sup>th</sup> Defendant - [REDACTED]

Mine of 17.12.02

The above have filed Defences and in the circumstances so as to avoid further delay, we would respectfully ask the Court to now give directions about the future management of this claim as against the above named Defendants, by arranging a Case Management Conference to be fixed in the near future.

Yours faithfully

CKFT  
Enc

It took place on 24 Jun 03. The objective was to bully the remaining leaseholders into paying monies that were (equally) NOT due and payable; discussed on WLCC pg # 7 & 8. However, I (and other leaseholders present) got a few crumbs of 'justice': point 2 on this 25.06.03 Order.  
**BUT District Judge Wright CONTINUED to collude with the Ladsky mafia - by IGNORING THE EVIDENCE.**

**YEP! DEFINITELY PART OF HER MAJESTY'S KANGAROO COURTS!**

Cue to laugh out VERY LOUD! See my 20.12.04 complaint to the Law Society against CKFT and its 'replies' of 08.02.05 and 17.03.05
